Rosemont Robotics Rocks!!!

Congratulations to Mr. Stafford and the Rosemont robotics team for an amazing performance at the Ventura County Regional Robotics competition this weekend. The 12 students, assisted by 3 mentors and 1 alumni coach, were invited to join the #2 alliance today and took 2nd place in the finals. That means that they have qualified for the world championships in Houston, Texas!!!! This will be Rosemont's 2nd time attending the world championships, where our students will compete against teams from around the world!!! We are so grateful to Mr. Stafford for continuing to work with our students and preparing them so well to compete at this elite level!!!
