Congratulations Rosemont Swim!

Final score against Galt last week: boys 90 - 30, girls 122-96! This team is off to an amazing start!!! It was also standing room only in the pool area! Baseball could hear the cheering from down on their field! So awesome...

Update on Rosemont Robotics (From Mr. Stafford)

The RHS Robotics team is going to be competing at the Sacramento Valley Regional competition next weekend (3/25 & 3/26). The event is being held at the ARC Pavilion on the UC Davis campus. It is free to the public; however, parking is not. The team will be competing in matches throughout the day Saturday (approx. 45 minutes apart) and in morning on Sunday guaranteed. If the team realizes the same success as last weekend in Ventura, they will also be in the double elimination matches Sunday afternoon, only 24 teams out of the 46 registered make it to the brackets. When you come, please visit us in the pit area (wear closed toe shoes & be prepared to wear safety glasses in the pits). If you can't make it, you can follow the competition at [The Blue Alliance](#). We are TEAM 5274. As a teaser, come see the team practice driving in the lower B common area after school Mon-Wed.
