Senior Assembly

Seniors will attend an assembly during 3rd period on 4/28 to review Graduation and other end-of-the-year information.

Essence of Rosemont

If you missed it, you missed out. Essence was spectacular. Thanks so much to Mr. Gosney and the ASB team for all of their planning and all of their work before/during/after the event. Since our return from distance learning, this group has been dedicated to making students, staff, and families feel welcome, included, and celebrated on a daily basis. Essence was all that, and more. Thanks, as well, to all of the teachers, support staff, campus security, parent volunteers, and the community members, who helped to make it such a huge success. It was also nice to have Board Trustee Christina Pritchett and her husband, Mike, stop by! As always, we appreciate our students, who were respectful, well-behaved, and just amazing overall.

Junior/Senior Prom

A reminder that Prom is this coming Saturday, 4/29 from 6 - 11 pm at the Arden Hills Country Club.

***Upon entrance all students' bags/purses, and pockets will be checked.**

Rosemont Robotics Returns from Houston, TX!

The team had an outstanding competition and an amazing time in Houston. We are anxious to welcome them back tomorrow! Thanks so much to Coach Stafford, our parent volunteers, and the alumni coach, Josiah Sidhu, for making this experience possible for our students.

OR LONG NAILS
COME PREPARED!!**

A Wolverine is Off to Mallorca, Spain!

Earlier this year, Ms. Piatt nominated junior Olivia Huntington for a scholarship to spend a month abroad in Mallorca, Spain. We just found out that she was awarded the scholarship! She receives \$6000 (out of a total cost of \$6500) to attend school in Spain while living with a host family. It's an opportunity of a lifetime! Thanks, Ms. Piatt, for the nomination, and congratulations to Olivia!!!! This is well-deserved recognition for Olivia, an outstanding student who is a member of ASB and School Site Council, and has a 4.36 GPA. We can't wait to hear about her experience overseas!!!!

Optimist Basketball Game

We are VERY proud of the Wolverines who competed in the Optimist Basketball game. Naszere Fisher just missed making a triple double and was named most outstanding player! Ahmad Lloyd had an outstanding game and scored 20 points! Congratulations to these two athletes, who are also awesome young men and represent Rosemont proudly on and off the court.

Rosemont Track Rocks!

The Wolverines have been hard at work and it has shown, as of late. Currently, both varsity boys and girls teams are in 2nd place in the Sierra Valley Conference. Most recently, Victory Noble placed 3rd at the Stanford Invitational, and Julia Taranchuk shattered the school record in the 100 meter hurdles in our latest league meet with a time of 17.32! We have six Wolverines ranked #1 in the SVC heading into league finals Saturday, 4/29 here at Rosemont.

Julia Taranchuk: 100m Hurdles + 300m Hurdles

Kaleeah Bryant: 200m Dash

Isa Abdur-Rahim: 100m Dash + 200m Dash

Davion Paris: 110m Hurdles + 300m Hurdles

Victor Noble: Long Jump

Michael Cherry: Triple Jump

Congratulations to Coach Parker, his staff, and all of the athletes!

Rosemont Has Won the Stock Market Game!

Two seniors in Ms. Stolinski's economics class have snagged 1st and 2nd place in the Stock Market Game! Carter Gadsden won first place with his portfolio beating the S&P 500 growth rate by 10.52%, and Djulienne Mercado took second place with her portfolio beating the S&P 500 growth rate by 10.27%!! They were competing with over 500 other teams from the Sacramento Region. This region extends all the way up to Redding, down to Fresno and over to the Nevada border. We couldn't be more proud of these two market gurus! In May, they will participate in an awards ceremony in downtown Sacramento and be treated to a fabulous lunch by Ms. Stolinski!! Honorable mentions to 5 other students who also showcased their stock market skills by being ranked 6th, 9th, 14th, 15th and 17th place!! Thanks, Ms. Stolinski, for engaging your students in this valuable, real-world activity!

Senate District 8: Annual Capitol Graduation Event

Congratulations to Oleander Nielsen and Aaron Sampson, who will be recognized as outstanding seniors at the Senate District 8 Annual Capitol Graduation event. Each high school in the Sacramento region has the opportunity to honor two of their 2023 seniors, and we are extremely proud to be represented by Oleander and Aaron. They are both outstanding students who contribute to their school in any number of ways.

Senior Yard Signs on the Way!

We just heard the district will purchase yard signs for all of our seniors again this year! We are very appreciative of that support. Information coming soon about when seniors can pick up their sign.

RHS Boosters Needs You

We are looking to fill several positions on our RHS Boosters Board. Here are the positions, with the responsibilities of each one:

Secretary

- Maintain Book of Minutes of all meetings, proceedings, and actions of the Board and committees of the Board
- Keep a copy of the Articles of Incorporation and the current bylaws
- If the President and Vice-President are both absent and or unable to serve, the Secretary shall perform all the duties of the President. When so acting, the Secretary shall have all powers of and be subject to all restrictions on the President.

Treasurer

- Keep and maintain books and accounts of the corporation's properties and transactions.; send directors financial statements and reports as are required by the bylaws
- Deposit all money and other valuables
- Provide an account of all transactions

If you are interested, please complete this [Nomination Form](#).
