End of the 1st Quarter

First quarter grades will be posted no later than midnight on 11/7. This is a critical time of the year to check Infinite Campus for your student's academic progress, attendance, and behavior. Students who are struggling at the end of the 1st quarter run an increased risk of struggling throughout the year. Please reach out to teachers and counselors if you have concerns about your child's progress. Everyone is here to provide whatever support is needed.

Veteran's Day Holiday Friday, 11/11

Just a reminder that school is closed this Friday, November 11th for the Veteran's Day holiday.

Graduation Fair November 15th

Herff Jones will be at Rosemont on November 15th from 5:30 - 7:30 pm in the cafeteria. Seniors may order caps/gowns, graduation announcements, class rings, and a variety of other graduation items. Please see this [flyer](#), which includes product information and ordering timelines. We look forward to seeing seniors and their families at the Graduation Fair on the 15th!

Rosemont Football

Congratulations, again, to Coach Straw, his staff and his players for advancing to the playoffs!! Although Ripon won Friday night's contest, it was a highly competitive game - definitely a source of pride for our Wolverines. They had an amazing season, and the entire Rosemont community could not be more proud!

We are also proud to announce that senior Charles Parker has been selected to play in this year's Optimist All-Star Game at Hughes Stadium. The selection committee identifies top athletes from the Sacramento Valley area to participate in this all-star game, a time-honored Sacramento tradition. Charles is an outstanding choice for this honor!

Middle School Visitations

On Tuesday and Wednesday of this week, over 400 8th graders from Einstein and Sutter will be here to visit the campus and learn about our programs. They will arrive at approximately 9:30 and leave at 11:30 both days. Depending on the weather, they will start in either the main gym or the stadium for a welcome and overview of the morning's activities. Thanks so much to our cheer coach, Jessica Hughes, Mr. Peruzzi and Mr. Gosney for providing students to be a part of that. Following the welcome, students will learn about athletics and then move through a series of workshops (ECD, LEAD, ASSETs, Music) with the help of ASB students. At the end of the rotation, they will reconvene to hear about RHS Culinary and enjoy a tasty treat, courtesy of Chef Scott and his culinary students. Thanks so much to Chef Scott, Ms. Siegert, Mr. Antrim, Mr. Peruzzi, Mr. Maddox and Dalia Alvarez (ASSETs) for preparing presentations. We can't wait to see our prospective students!

Have a great week, Wolverines!
