### February is Black History Month

All year long, we recognize the struggles, triumphs and central place in American history of our Black community. Black History Month is an annual month-long celebration and we encourage our staff, students and families to take part in discussions and events that are taking place throughout February. As part of Black History Month, social studies teachers will engage students in activities and discussions related to Black History. In addition, the Black Parallel School Board is participating in the National Black Parents' Involvement Day on February 21st. Parents are invited to observe and/or volunteer at their children's school. See the informational flyer below for more information:

### **Student Support This Week**

Sadly, more violence has gripped our attention as we mourn the loss of Tyre Nichols, a former student in SCUSD and join the entire nation in being shocked and horrified at the events surrounding his death. We know that our students have been impacted and will struggle with processing what has happened. In addition to the resources outlined in the Superintendent's Friday message, I encourage any student who is struggling with feelings and emotions to reach out to our counselors and our Student Support Center staff, Ms. Isakson and Ms. Morgan.

### **Great News for Social Science and Spanish Vacancies**

We are excited to announce that our new social science teacher, Ms. Zaremba, starts on Tuesday, January 31st! We are also very excited to welcome back Ms. Sevilla! She will return to her Spanish classes as soon as we can get her into the position. We'll keep everyone posted!

## New “Mask” Policy

For safety reasons, students may no longer wear non-approved “masks”, or face coverings, including gators. We must be able to identify students at all times, and masks that cover the face prevent this. Students may continue to wear approved COVID masks with ear loops. We will remind students who violate this new policy.

## Second Semester Reminders
