

Hello, Wolverines!

Today, July 31st is my last day in Sac City. I want to take this last opportunity to thank all of our returning Wolverines for making my nine years at Rosemont an absolute pleasure. I am honored to have worked with such extraordinary students and families, and I will always treasure my time here. So many memories...

Welcome to our incoming families! The Rosemont staff is busy preparing for the 23-24 school, and they are all very excited to meet you at upcoming events, including orientations. Detailed information about those events is below.

I also wanted to provide everyone with an update on the Rosemont Principal search. Tier II interviews for the position were conducted last week. If a candidate is selected, that recommendation will go to the Board for approval on August 17th. While that is in process, Assistant Principal Mitch Jones has graciously agreed to serve as the Interim Principal. I can't thank him enough for stepping up - especially during this incredibly busy month. He will reach out with important information over the coming weeks.

Our counselors return August 23rd, and you may reach out to them at that time. Here are the new counselor assignments for the 23-24 school year:

Emergency Cards

All Rosemont students must complete a new emergency card at the beginning of each school year. We will mail emergency cards in the coming days. **In order to pick up your student's schedule at Orientation, he/she must present the completed emergency card.** Parents/guardians can complete an emergency card at Orientation, as well. We will also include an emergency card in the first day packet. If you've already completed an emergency card, you can disregard the copy in the packet.

Freshman Orientation

As we shared earlier in the summer, all 23-24 freshmen will be scheduled into a "house" where they will share a common English, social science, and science teacher. This structure will provide 9th grade teachers with the opportunity to focus on shared practices, policies, procedures, and support to build community, facilitate a smooth transition from 8th to 9th grade and improve outcomes for students. Students will attend Freshman Orientation according to their house assignment, which will be finalized and communicated this week.

Orientations are scheduled for the week of 8/21:
