I will email the George M Clark Scholarship application (one nominee per comprehensive high school) to the principals. Please select your nominee based on the criteria listed in the scholarship and forward the application to your nominee by February 18, 2015.

All scholarships, with the exception of the Clark, can be downloaded from www.scusd.edu. Go to Resources, Student Resources, Scholarships. The deadline for turning in completed applications is Monday, April 6, 2015.

Please make sure all seniors are aware of these scholarships. Last year many student applications were disqualified for the following reasons:

1. Letters of Recommendation: Check to see if the application requires two or three, and are they in-district, or personal (out-of-district) recommendations.
2. Student Essay: Some ask for specific questions to be addressed.
3. Application: If noted the application must be typed—it must be.

Contact me at 643-9038, or email me at Linda-McNeill@scusd.edu if you have questions.
