Staff Updates

Lots of changes right now! Mr. Hopley has taken a position as an RSP teacher at Cal Middle School! Mr. Hopley has been at Rosemont for a decade and has contributed in a number of roles, including teacher, coach, and school site council member. He has also been a tireless advocate for our Rosemont Reads program. We will miss him and wish him well in his new position! He transitions to Cal on May 22nd. Also, Izabella Sierra, who has been an indispensable member of our site maintenance team, is the new Plant Manager at Pony Express Elementary School. She starts there on May 10th. We will definitely miss her can-do attitude and quick response to any and all requests! Congratulations to both of these Wolverines!!

Several school records were broken: Lauren Straw in the 100 butterfly, Angie Tang in the 100 freestyle and 100 backstroke, Peter Fortune in the 100 freestyle and 100 breaststroke, the team of Angie Tang, Lauren Straw, Morgan Doell, and Ava Nelson in the 200 freestyle relay, and the team of Nathan Richards, Anthony Lagergren, Tyler Parks, and Peter Fortune in the 200 freestyle relay.

Peter Fortune qualified for sections in the 100 breaststroke on May 4 in Elk Grove. Good luck Peter!

California Youth Symphony

Congratulations to senior Cameron Quan, who performed with the Sacramento Youth Symphony today! More information [here](#).

Summer School 2023

We are automatically enrolling students in summer school if their counselor has identified them as needing credit recovery. Parents will have the opportunity for them to opt out, but students will no longer have the opportunity to retake classes they've failed within their daily schedule, so after school credit recovery or summer school are the only options. Parents/Guardians will receive a letter within the next two weeks if their student has been enrolled.
