Staff Appreciation Breakfast

Please stop by the library Friday morning beginning at 7:30 am for some delicious treats, courtesy of the Rosemont PTSA. Although May 8 - 12 is officially Teacher Appreciation Week, we want to recognize and celebrate all staff for the work you do every day to support students and each other. Thanks to the entire PTSA for their hard work all year and for providing breakfast on Friday!

Design Build Competition

ECD students and staff participated in the annual Sacramento Regional Builders' Exchange Design Build competition last Thursday and Friday at Cosumnes River College. The two teams were each tasked with designing and constructing a shed that met predetermined requirements. They did an outstanding job and had a great experience. Thanks so much to Mr. and Mrs. Antrim, Mr. Spoon, Ms. Burdock, and Mr. Stafford for bringing this amazing experience to our students!

Rosemont Robotics

Mr. Stafford, Diana Torres Arias and Mitchell Milobar were interviewed about the Robotics World Championship competition by Vicki Gonzales, from Capitol Public Radio. That interview will air tomorrow, Monday, 5/8 between 9 - 10 am and will be available as a podcast after that. Check it out!

Welcome Back, Mr. Garcia!

Andy Garcia is returning to the Behavior Office beginning tomorrow. We're extremely excited to have him back in this position!

Many of our Wolverines had top 4 finishes at the championships and will advance to the Division 4 Trials and Finals May 9 & 11 at Weston Ranch High School in Stockton.

Congratulations to our athletes and to Coach Parker and his staff!

Senior Lawn Sign Pick-up

Seniors who still need to pick up their lawn sign may go to Mr. Naumann's classroom (B113) after school.

May 4th

Thanks so much for everyone's support after the events on Thursday morning. I can't tell you how much it has meant to receive your emails, texts, phone calls, and flowers.

I also want to thank Ms. Siegert and her student teacher, Mr. Nguyen, for recognizing that there was something wrong with the student who caused the incident in the quad. Ms. Siegert immediately escorted him, at great sacrifice for her own safety, toward the front office. Had she not taken such quick action, the situation may have been even worse. Thanks, as well, to all of the staff members who helped out.

Lastly, I truly regret that I wasn't there to share the news about Mr. Predko. That should have been the focus of the day. I'm still struggling with the loss of this wonderful human being - someone who poured his heart and soul into Rosemont High School for nearly a decade. Up until the very end of his life, he was talking about all of the work he had to do when he returned. He considered the Rosemont staff his family, and all of you meant the world to him. Thank you for making him feel appreciated and loved. You make me feel the same way.

Although we will all continue grieving the loss of our colleague and friend, let's move through these last weeks of school with positivity and enthusiasm. Mr. Predko would have wanted that.
