Event Recap

Essence of Rosemont

We want to thank each and every one of you for helping make this year's Essence of Rosemont a massive success! The atmosphere was phenomenal, the community really showed up to support, and we couldn't have asked for a better evening. Events like this truly take our entire staff and community to pull off and we have the most amazing people working at Rosemont to make things like this possible.

We couldn't have done it without you. So, on behalf of ASB/Student Government, thank you for everything and enjoy your weekend!

Color Guard and Marching Band

The Color Guard and Marching Band put together a great show for Essence attendees showcasing their skills. Thank you to the team of students, parents, and volunteers for the wonderful job.

Brothers Grimm Theater Reading

The theater students did an impressive job with the first performance from the program since before COVID. Thank you to Ms. Schallig and the students. We look forward to seeing this program grow.

From Ms. Schallig:

A hearty thank you, Wolverines, to everyone who came out and/or supported the Drama Club's spring play reading of The Brothers Grimm Spectaculathon! I was blown away with how many people attended our staged reading - over 200! I also wanted to thank staff members and administrators who attended last night after such a long day of hard work and amazing coordination for Essence.

- April 2nd - 5th period
- April 3rd - 2nd period

No Hate Tour Returns

This Wednesday, the BMX No Hate Tour Returns to Rosemont.

Sophomores and Juniors will attend during 2nd period. Freshmen and Seniors attend during 3rd period. Students should first check in at their class for attendance and then report to the main gym during their assembly.

The No Hate High School Tour, now in its 25th year, is an incredibly impactful educational program that uses the energy and excitement of action sports to deliver critical bullying prevention tools, techniques, and information to students in a relatable, peer-to-peer manner. The program features top BMX stars that teens admire performing high-energy action sports shows on campus while speaking to the students about their own experiences with bullying, overcoming obstacles, being an ally, inclusion, kindness, surrounding yourself with positive influences, problem-solving, mental health awareness, and other important subjects that really resonate with teens.

ABC - Attendance, Behavior, and Climate

The ABC office would like to share the following:

Phones and Headphones

We see a lot of students doing their best and keeping the phones away. There are still quite a few with them out. Headphones are also included and the policy, but continue to frequently be seen. After the first violation of the school, they will be confiscated. After the second violation, they will require a parent to pick them up.

Parents, so many of you have been awesome and very supportive, which has made a huge difference. Some of you have been here a lot. We appreciate the help.

Class Dismissals

As a reminder, the bell dismisses students from class and passes are restricted the first 10 and last 10 minutes of class. Students out of class prior to the bell will be assigned detention. Tell that "sub" in that class about this (You know the class. The one that you can't remember which room it is in).

Campus Policy Refreshers

Meal Delivery

Parents can drop off food for students at the front desk. Students can pick up during lunch. Please do not encourage your student to leave class to pick up food.

We do not accept meal delivery services on campus (Door Dash, Uber Eats, Post Mate, etc.). You would be surprised at the number of strangers (and even their cars) that have made their way through campus. Delivered meals will be stored in Mr. Jones' office until the end of the school day. Sometimes he gets hungry.

Dress Code

There is a dress code. Especially with the warm weather, there have been a number of dress code violations. Please wear appropriate clothing. We do have some fun loaner clothes for those who violate. Frequent violations include:

- Clothing promoting drugs, alcohol, and pornography.
- Revealing clothing, including tube tops and visible underwear and bras, and not enough clothing.

Link to the Student Handbook is [here](#). Please use reasonable judgement with apparel as you get on the path toward becoming career ready.

Parking

Student parking is designated in the East Parking Lot (by the large Auditorium). Students, please use that lot. The gate at that end closes 10 minutes after the bell. The South Lot (off Mayhew, behind the E Building) is designated for staff only. Please be aware.

Cell Phones

Reminder that cell phone and ear phones/buds are not allowed during the school day, including passing and lunch (or even when you go to the restroom).

Students who are feeling ill should let the teacher know. Students who are ill will be sent with a pass to the nurse station where parental contact will be made. We have a nurse and health aide who can assess and support. Students who use their phones to make self referrals are violating the phone policy and create an unnecessary backlog in the office. Trust the process.

If you need ways to support students during this time, check out this article: [**How to Help Students Panicked by School Smartphone Bans**](#)

Attendance

Reporting Absences

Parents/Guardians must clear absences within two weeks of the absence. Any uncleared absences will become truancies. To report an absence, please visit the **attendance page** on the Rosemont website.

Early Dismissals

Early dismissals will end 30 minutes prior to the end of the school day. If you need to pick up a student for an early dismissal please plan to pick them up prior to 3:00 pm on M, T, W, and F and prior to 2:00 pm on Th.

First Period Tardies

PLEASE drop off students in time for them to arrive on time to 1st period. We are already seeing a number of students dropped off very close to the bell (at 8:23) or after the bell has rung. Those students are missing valuable instruction and creating a disruption for 1st period classes. If we can help in any way with this process, let us know!

Tutoring - ASSETs

Beginning this week, every school day the ASSETs program provides free tutoring and academic support from 3:30 PM to 6:00 PM in our library. Stop by and say "Sup?".

Cards, Cards, and Portraits

Student ID Cards

Students receive their school ID card on picture day. Students are required to carry their ID card at all times and can be asked to produce their card for identification to any school employee.

RT Cards

Students ride RT for free if they present their RT card. Freshmen and new students will receive their card at the front desk. If you have questions, please go to SacRT.com or call (916) 321-buss.

Senior Portraits

Seniors should book an appointment for their senior portrait now. To schedule, reschedule or cancel an appointment go to the senior portrait page for more information: [here](#).

We will also provide information soon about an opportunity to take senior portraits on campus.

Phones - Off and away, all day.

Rosemont High School campus policy requires that cell phones and ear buds are off and away the entire school day. Away means in bags or backpacks and not in pockets or visible. Why? Well, our school community can provide a lot, A LOT, in the way of stories from personal experience: Distractions in the classroom, contributing to lack of engagement, cyber-bulling, rushes of students filming potential conflicts, coordinating illicit activities, etc. They have interfered with student safety and learning on our campus.

Electronic device policies are difficult to enforce without coordinated supports and large scale buy in. We are on board with this, we have heard from parents who are on board with this. We need your support. Our staff will be here to support during the transition and will be able to reach your student if you need. Our office number is 916-395-5130. Please limit calls to as needed, to ensure that we are available to meet your needs.

Students will have infractions documented in the Infinite Campus contact log. Beginning with the second infraction, student phones will be held to the end of the school day. Each infraction after, the phone will be returned to the parent/guardian upon meeting with an administrator.

Here are just some of the statistics out there:

- Students whose smartphones were physically removed during class had higher levels of course comprehension, lower levels of anxiety, and higher levels of mindfulness. ([Link](#))
 - 72% of high school teachers say cell phone use is a major problem. More that lack of interest in learning, more than getting up and walking around, and more than students being disrespectful ([Link](#))
 - Smartphone and social media use are linked to increases in mental distress, self-injurious behavior and suicidality (greatest among girls), negative effect on self-view, increase in negative interactions and cyberbullying, normalizing self-harm, chronic sleep deprivation.
