- Before and after school, access to the front office is through the front doors facing the parking lot.
- Students may exit through the front gate until 4:00 PM, and the mid-gate (in front of the gym) and the back lot until 5:00 PM. After that, all students must exit through the east end toward the student parking lot.
- Please do not bang on windows in the office to have someone let you through.
- Athletes checking bags must do so one at a time. Please have your friends wait outside. If students continue to disregard the direction of staff in the office, we will close the athletic storage.

**School Site Council**

We have our School Site Council ready to go. Our first meeting will be this Tuesday from 4:30 - 5:30 PM. Meetings are open to all to attend. The meeting will take place in the main conference room in the admin building (limited seating) and via Zoom. The Zoom link, passcode, and agenda are all linked in the above calendar.

The School Site Council is an advisory committee that reviews and monitors the school plan (SPSA) and develops and approves the school budget in accordance with state and federal laws. Every school that receives Title I funding must have a SSC. This committee is a collaborative effort between parents, teachers, staff, and students which meets once a month during the school year.

**Wolverines-of-the-Month**

Congratulations to the Wolverines-of-the-Month for September! They have been identified by teachers for outstanding performance in one or more of the following areas: academic achievement, citizenship, participation, leadership, attendance, behavior, and/or improvement. They will be featured on the Rosemont website! These students can also show their ID cards at the front of the lunch line to get premium access for the month of October.

Football lost at Liberty Ranch 16-31. This week we have our final home football game of the season against Union Mine. JV starts at 5:15 and varsity starts at 7:30. Come out and support our players on Senior Night.

### **REMINDERS**

### **Reporting Absences**

Parents/Guardians must clear absences within two weeks of the absence. Any uncleared absences will become trancies. To report an absence, please visit the [attendance page](#) on the Rosemont website.

### **Elevator Keys**

It is the responsibility of each student to personally return elevator keys daily. Elevator keys are not to be taken home under any circumstances. Only a student with an injury is allowed on the elevator, not friends. The only person that should enter the office to check out a key is the injured student. Please do not bring friends with you. Thank you.

### **Early Dismissals**

Early dismissals will end 30 minutes prior to the end of the school day. If you need to pick up a student for an early dismissal please plan to pick them up prior to 3:00 pm on M, T, W, and F and prior to 2:00 pm on Th.

### **First Period Tardies**

PLEASE drop off students in time for them to arrive on time to 1st period. We are already seeing a number of students dropped off very close to the bell (at 8:23) or after the bell has rung. Those students are missing valuable instruction and creating a disruption for 1st period classes. If we can help in any way with this process, let us know!

### **Tardies Throughout the Day**

In order for teachers to maximize instruction, **students must arrive to every class on time**. They have seven minutes for passing, which includes time for them to use the restroom and get to their next class. This week, we'll start **random tardy sweeps** throughout the day. Students who are not in their classroom when the bell rings will be assigned after-school detention. Failure to serve detention will result in further disciplinary action.

### **Elevator Keys**

We have a very limited number of elevator keys available for students. If you need an elevator key, please provide a medical note to our office manager. Keys are checked out each morning and returned by the end of each school day.

### **DoorDash and Other Food Delivery Services**

Just a reminder that we do not allow DoorDash or other food deliveries for students. If students receive food deliveries, the food will be held until the end of the school day.

Family members can drop off food at the front office. However, unless there is a medical reason on file, students will not be pulled out of class to pick up food.
