Technology Services resets student passwords to strengthen the security of district-provided accounts, reinforce good digital citizenship practices, and maintain reliable access to instructional resources. This measure additionally ensures that all student accounts have unique, strong passwords that are difficult to guess.

- By Thursday, November 2, students will receive a letter with instructions about the reset in their 2nd period.
- Beginning Sunday, November 5 at 10:00 am, Technology Services will begin changing student passwords to reflect the credentials provided in the individualized letters.

## **REMINDERS**

### **Reporting Absences**

Parents/Guardians must clear absences within two weeks of the absence. Any uncleared absences will become trancies. To report an absence, please visit the [attendance page](#) on the Rosemont website.

### **Elevator Keys**

It is the responsibility of each student to personally return elevator keys daily. Elevator keys are not to be taken home under any circumstances. Only a student with an injury is allowed on the elevator, not friends. The only

person that should enter the office to check out a key is the injured student. Please do not bring friends with you. Thank you.

### **Early Dismissals**

Early dismissals will end 30 minutes prior to the end of the school day. If you need to pick up a student for an early dismissal please plan to pick them up prior to 3:00 pm on M, T, W, and F and prior to 2:00 pm on Th.

### **First Period Tardies**

PLEASE drop off students in time for them to arrive on time to 1st period. We are already seeing a number of students dropped off very close to the bell (at 8:23) or after the bell has rung. Those students are missing valuable instruction and creating a disruption for 1st period classes. If we can help in any way with this process, let us know!

### **Tardies Throughout the Day**

In order for teachers to maximize instruction, **students must arrive to every class on time**. They have seven minutes for passing, which includes time for them to use the restroom and get to their next class. This week, we'll start **random tardy sweeps** throughout the day. Students who are not in their classroom when the bell rings will be assigned after-school detention. Failure to serve detention will result in further disciplinary action.

### **Elevator Keys**

We have a very limited number of elevator keys available for students. If you need an elevator key, please provide a medical note to our office manager. Keys are checked out each morning and returned by the end of each school day.

### **DoorDash and Other Food Delivery Services**

Just a reminder that we do not allow DoorDash or other food deliveries for students. If students receive food deliveries, the food will be held until the end of the school day.

Family members can drop off food at the front office. However, unless there is a medical reason on file, students will not be pulled out of class to pick up food.
