### PTSA Staff Appreciation Breakfast

Another round of thanks goes out to our PTSA for putting on a SPECTACULAR "red carpet" breakfast event for our staff on Friday. Although last week was technically Teacher Appreciation Week, the PTSA included all staff to ensure that everyone who supports our students was recognized for their hard work. With all of the recent events, this was a wonderful way to bring us together for a positive, uplifting shared experience. We also

appreciate ASB students and Mr. Gosney for their help with setup and cooking!!! Special thanks to Sheri Chow, Alison Terry (not pictured) and Lisa Wohlers for preparing the incredible spread.

### **Golden State Seal Merit Diploma**

### **Loving Tribute...**

Ms. Jenks' students made well over 40 cranes last week to memorialize Mr. Predko and to show love for one another and Rosemont. She has continued to provide time and supplies for students who have wanted to express their emotions in this creative way. Thanks to her and to all staff who have given students a space to process this loss.

Have a great week, Wolverines!
