Senior Signing Day

Thanks, again, to Ms. Sandberg, Ms. Nguyen, and everyone else who contributed, for orchestrating a **spectacular** Senior Signing Day, where all seniors with a post-secondary plan were recognized and celebrated for their commitment. Here is a [link](#) to watch the ceremony.

Spring Concert

Thanks so much to Mr. Peruzzi and Mr. Sanchez (from Einstein) for their work preparing students for an outstanding spring concert last week. In addition to our own band and wind ensemble, the standing-room only crowd was treated to performances by the Einstein Band and Orchestra and the Rosemont Jazz ensemble! Mr. Sanchez recognized the 8th grade musicians, almost all of whom are attending Rosemont in the fall. Mr. Peruzzi recognized all of the seniors and gave out a number of awards for dedication and leadership. It was awesome to see that our music program will continue to grow over the coming years!

Lawn Chair Friday

Rosemont's Day Of Play/Lawn Chair Friday is June 2nd. There will be lots of activities, including relay races, cupcake eating contests, volleyball, face painting, board games, a picnic, live music and chalk drawing. For students who participate in any of the games, there will be a drawing to win a bluetooth speaker!

Yearbook Distribution

A reminder that yearbooks will be distributed on 6/5 and 6/6 from 3:30 - 4:30 in the cafeteria. We'll be passing out tickets to students on our buyer list ahead of time. Students without tickets can still use their school ID. A limited number of yearbooks will also be available for purchase at the day of distribution for cash only.

ECD Signing Day

Thanks so much to Mr. and Mrs. Antrim, and Claire Donnenwirth, our ECD Advisory Chair, for hosting ECD Signing Day, a celebration of the ECD seniors who have committed to the trades. Four want to go to IBEW (International Brotherhood of Electrical Workers), three to UA Local #447, and one is going to Teichert. All are eighteen years old and have their California Driver's License and/or permit.

It's Classified School Employee Week!

Although we celebrated all staff during teacher appreciation week, we want to recognize that this week is Classified Employee Week. Without our classified staff, Rosemont could not operate. But, in addition to that, we are particularly fortunate to have extraordinary classified folks who give their time and energy selflessly. We can't thank all of them enough for their daily commitment. [Watch this video to see the Classified Champions of the Year](#), including our own Irene Hainsworth (Office Technician) and Amy Hanrahan (Paraprofessional). Nicole Rohrer, who works with Ms. Johnson in our workability office, is also a classified champion!

Fencing Project - Summer 2023

I'm excited to share that the district will be installing permanent fencing to secure the perimeter of our campus. All of the work will be completed before the start of the new school year. Although this is just one step towards addressing safety on our campus, it's an important one. We'll keep you posted about additional safety measures for 2023-2024.

Water Safety Month

May is Water Safety Month, and the YMCA is inviting Sac City Unified families for a FREE swim in their indoor, heated pool! Make sure your family is prepared to swim anywhere/anytime, but especially this year because local rivers will be running colder, faster and higher due to the record Sierra snowmelt runoff! On Sunday, May 28, from 2-6 p.m., come to the Sacramento Central YMCA for a family swim and learn important Safety Around Water tips for all ages, including swim lesson information, how to designate a water watcher, and how to properly fit and size a lifejacket!
