February 27th, 2024

Dear Rosemont Families,

The safety of our students and staff is of the utmost importance to us, and we wanted to make you aware of an incident that happened on campus today.

Rancho Cordova Police detained a student in the administration building due to concerns he may have been armed based on images of weapons posted on social media. Our school was placed on a brief lockdown out of an abundance of caution, while this incident was handled by law enforcement. No weapons were found. The school is looking into appropriate disciplinary action in addition to other potential legal consequences the student may face.

If your student is experiencing any stress due to this incident, please let us know so we can connect them to Student Support Services.

Please talk with your student tonight about the dangers and harm of what they choose to post online. Images of weapons will always be treated as a serious safety threat.

If you have any additional questions, please let me know,

Sincerely,

Mitch Jones
