## Message from the Principal

Dear Families,

On behalf of the Rosemont staff, including the new administration team, I would like to welcome you to the 2024-2025 school year! There are great things ahead here at Rosemont High School, and we're anxious to get started!

Our mission is to place students at the center of our work and build a world-class high school that boasts a safe, inclusive, positive environment and rigorous academic programs that support college and career readiness. The Rosemont staff commits to communicating, modeling and reinforcing high standards for behavior every day, including an emphasis on the development of key social and emotional skills. Our students will have the opportunity to pursue their interests in all courses of study, including a variety of focused learning pathways that connect academic preparation with real-world application. Through the expanded use of digital technology in our classrooms, students will learn valuable technological competencies and create and share content to demonstrate learning. Rounding out the experience at Rosemont is a rich selection of extra-curricular activities including after-school tutoring, clubs, sports and competitive academic teams. We encourage all students to participate in as many activities as they can! The more they're involved, the more they will feel an authentic connection to their school.

Throughout the year, we will make sure that families have all the information they need to help guide students through their high school journey at Rosemont. In addition to providing school information through weekly Infinite Campus Messenger emails, we encourage families to access the Rosemont High School website for up-to-date school news. The Infinite Campus Parent Portal will serve as a valuable resource for monitoring attendance, grades and behavior. There is no substitute for staying informed and communicating with school staff about your student's progress. The more closely we work together, the more effectively we can provide timely and appropriate interventions should your student begin to fall behind. Staff contact information is located on our website. If you haven't already, please come to the school to obtain your username and password so that Infinite Campus is available to you from the first day of school. We also encourage parents and guardians to play an active role in the high school experience. Please join us at school events where we showcase and celebrate student achievement. Attend information nights and other parent education opportunities. We also urge families to sign up to serve on the PTSA, Rosemont Boosters, or Rosemont Music Boosters organizations.

2024-25 is going to be an outstanding year for the entire Rosemont Community! We look forward to meeting all of you and working closely with our students to make sure that their Rosemont experience is second-to-none. Please feel free to contact the school at (916) 395-5130 with questions or concerns. Phone numbers for individual staff members are located under the Staff Directory link on the Rosemont website.

We look forward to seeing all of you!

### Rosemont History

The Rosemont Community was formed in 1959 as a new bedroom community in the Sacramento region in East Sacramento. Rosemont residents long sought after a high school for their community that they could call their own. After many years of lobbying, waiting and much hard work, Rosemont High School opened its doors in 2003, fulfilling a longstanding need for a high school that served the Rosemont area. The campus boasts impressive academic buildings, a spacious library, and state-of-the-art facilities. Rosemont's students benefit from the finest campus in the district.

### Rosemont Pride

Rosemont High's performing arts hold a strong role in the Rosemont community. The oldest and most rooted in Rosemont tradition is the music program, once led by prolific Music Director, Mr. Patrick Neff. The music program is establishing a long standing tradition of leading the Rosemont student body in the Alma Mater, "Rosemont Pride". Rosemont Pride is sung as a celebration of excellence and to honor those Wolverines of the past, present and future.

## “ROSEMONT PRIDE”

The alma mater is inspired by the school spirit and love the students and staff at Rosemont have for our school. The text also draws from the Latin found on the Rosemont seal: “Non scholæ sed vitæ discimus,” which means “we do not learn for school, we learn for life.”

## Academic Integrity

Honesty and integrity are the foundation of trust, and one's character, competence, and human interactions are governed by trust. The integrity of our school as an academic institution is predicated on the principle that the advancement of knowledge requires all students and instructors to respect the integrity of one another's work and to recognize the importance of acknowledging and safeguarding intellectual property. Our academic community will be judged by the honesty of our communications, spoken and written.

To that end we recognize that students who engage in any form of academic malpractice create situations that are detrimental to their academic and ethical development and progress. Academic malpractice of any form (including plagiarism and cheating) is an obstacle to achieving our school and district goals.

*Academic malpractice* constitutes acts which result or may result in an individual gaining an unfair advantage and can take the following forms:

**Plagiarism:** taking work, words, ideas, pictures, information or anything that has been produced by someone else and submitting it as one's own.

**Collusion:** supporting malpractice by another student, as in allowing your work to be copied or submitted for assessments by another student.

**Copying:** taking work of another student, with or without his or her knowledge or giving your work to another student for copying purposes.

**Duplication of work:** presentation of the same work for different assessment components or curriculum requirements.

**Misconduct during an examination:** including the possession of unauthorized materials during an assessment or exam, communicating with another student without teacher permission or having unapproved student aides, using cheat notes or stealing tests.

**Dishonest reporting:** creating or altering data or signatures; collecting information in an inappropriate manner including the falsification of any records such as grades, personal project, and community service or CAS records.

**Fabricating:** falsifying research and/or research data.

Examples of Plagiarism include (but are not limited to) the following:

- ✓ copying answers to homework from a friend during tutor group
- ✓ cutting and pasting material off the internet and using it in a speech or essay/paper without citing the original source
- ✓ having a tutor edit and rewrite parts of work
- ✓ having an outside source build a model or paint something
- ✓ repeating the exact words used by a teacher (verbally or in writing)
- ✓ pasting pictures in research work without citing the original source
- ✓ rewriting a paragraph in own words, but clearly only using the ideas and structure of the source you are reading
- ✓ changing the lines of a published play without the consent of the playwright

Examples of collusion include (but are not limited to) the following:

- ✓ giving a friend in the same class a copy of the homework
- ✓ allowing an assignment or project to be copied
- ✓ telling a student what material appears on a math test
- ✓ hiding the truth from a teacher when it is known that someone is cheating
- ✓ passing a project to another student to be used as their own work
- ✓ sharing of work between siblings in different year levels

Examples of cheating include (but are not limited to) the following:

- ✓ using notes on a test when notes are not permitted
- ✓ using answers from another student on an assignment or assessment
- ✓ looking up solutions to a test from a website
- ✓ inputting formulas into a calculator prior to an exam
- ✓ texting solutions to another student or receiving solutions from another student
- ✓ obtaining an assessment before the assessment is administered
- ✓ unauthorized use of a calculator or computer on an assignment

Examples of fabrication include (but are not limited to) the following:

- ✓ making up data from a science experiment
- ✓ listing a source in a works cited page when the source was not used
- ✓ lying about a need for an extension for an assignment
- ✓ tampering with a gradebook

### **Consequences**

Students who violate the Academic Integrity Policy as determined by teacher or administrator are subject to the following consequences\*:

## *Athletics*

### **Philosophy**

Our goal at RHS is to develop student-athletes who, through academics and athletics, learn the value of sportsmanship, teamwork, dedication, perseverance, self-improvement, and physical health. Our student athletes will develop the skills to balance high-level athletic competition with the maintenance of good academic standing

### **Eligibility**

In order to participate in athletics, each student must meet specific eligibility requirements. The school's policy on athletics is as follows:

- Attendance—Attendance must be at 95% or better in all current courses.
- Tardies—No more than 6 tardies per quarter.
- Academics—A minimum grade point average of 2.0 is required.
- Citizenship—A mark of “Satisfactory” is required in at least 75% of the current course load and not more than one “Unsatisfactory” mark in the last quarter grade report. Any student suspended from school will be deemed ineligible to participate in any activity, competition, and/or event for 7 days after the incident. Teachers will not change grades to deem a student eligible nor change a grade to deem a student ineligible.

*Eligibility is established on the Monday following the end of each semester. Participation in any extracurricular activity is a privilege, and the administration may revoke such privilege at any time.*

### **Sportsmanship**

Our student-athletes will display respect towards their teammates, coaches, referees, opponents, and all fans. We must be able to pour our blood, sweat, and tears into our competition, and win, lose, or tie, we leave it all on the field. Student-athletes must understand that it is a privilege to represent Rosemont High School and our community.

*Report any and all disrespectful and/or threatening behaviors (including Hate Crimes) before, during, and after any game or competition to a coach, athletic director or to school administration.*

### **Athletes, Class Schedules, and Game Day Issues**

Game day conflicts are to be negotiated among the teacher, the coach, and the athlete under the supervision of the Athletic Director. The student is responsible for notifying their teachers about absences due to athletic competitions as well as requesting and completing assignments according to the teachers' timelines.

### **Athletic Clearance**

**All student/athletes must create an account and fill out the required forms at**

<http://athleticclearance.com>

Physical forms can be downloaded from our website at: <http://rosemont.scusd.edu>. (Under the Athletic tab) or picked up in the front office. The completed physical form will then need to be uploaded to <http://athleticclearance.com> **prior to tryouts for any sport, including cheer.**

### **Fan Behavior**

We encourage all students, families, friends, and community members to support Rosemont High School athletics through attendance of our sporting events. Positive sportsmanship is expected from all RHS fans, home and away. Direct your excitement and encouragement towards our team. Derogatory or unsportsmanlike behavior directed towards the coaches, referees/officials, opposing fans and athletes is inappropriate and does not reflect the high standards of Rosemont High School. Students and adults may lose attendance privileges and

may face discipline procedures if behavior at athletic and other school events is disrespectful of the participants and/or attendees. Participants in the Blue Zoo are expected to abide by the same expectations as all fans. **Rosemont staff reserves the right to remove or deny access to anyone displaying behavior that they deem inappropriate.**

## *Attendance*

Rosemont High School strives to serve its students by offering the best possible educational opportunities. Achievement and attendance in the classroom are closely related. There is no substitute for regular attendance. Regular attendance is a commitment —the cornerstone to success. Classroom experiences cannot be made up. Remember: *Attend Today, Achieve Tomorrow!*

*Absences* can be verified **four** different ways:

<b>24-Hour Voicemail:</b> (916) 395-5130, Option 1	<b>Online:</b> <a href="http://www.rosemont.scusd.edu/attendance">www.rosemont.scusd.edu/attendance</a>
<b>Send a note</b> with your student upon return	<b>In Person:</b> Monday-Friday 7:30 am-3:15 pm

Live phone calls are not accepted at the attendance office to report an absence. You may leave a voicemail, go online, send a note with your student upon return, or come in person to report the absence. Absence reports must include the following:

- Student’s full legal name, grade and date of birth
- Date and reason of the absence
- Your name and relationship to the student
- Contact phone number

We also request that you only complete one of the above four options, due to limited staff resources. Reporting more than once may cause further backup.

**Per District Policy and State Law, only the parent/legal guardian may verify absences.** We will not accept absence reports from any extended family members. **Parents/guardians MUST verify any absences within 2 weeks,** or the absences become truanancies. Failure to provide verification for 18 periods of unverified absences (3 full school days) **will result in initiation of the truancy process.**

*Early Dismissals* can be requested **two** different ways:

<b>Same Day Phone Request:</b> (916) 395-5130, Option 1 – Monday-Friday: 7:30 am-2:45 pm	
<b>Send a note</b> with your student	<b>In Person:</b> Monday-Friday 7:30 am-2:45 pm

**Do not leave a voicemail requesting an early dismissal. You must speak to a staff member.** Parents, guardians or a parent representative (**who must be listed on the emergency card**) will be required to show valid ID before taking a student off campus.

We request that families are patient when requesting an early dismissal. It may take time to contact the classroom and request that a student be sent to the office.

**Students must pass through the Attendance Office upon dismissal for a verified dismissal time which will be entered into Infinite Campus. Students who leave campus without reporting to the Attendance Office will automatically become truant. A parent/guardian cannot excuse this absence. There are NO EXCEPTIONS.**

### *Staff Attendance Instructions*

- Take attendance in Infinite Campus within the first fifteen minutes of class. **Attendance must be taken in every class every period.** The teacher maintains responsibility for accuracy. Please take

attendance at the beginning of each period. If you have to make a correction to your attendance data, please do so by 4:00 pm.

- **Students may not take attendance.** Classroom attendance records are official documents required by law. These records are kept for four years and are monitored by district and state auditors. **They may also be subpoenaed as evidence in a court of law.**
- Always mark a student absent if he/she is not physically in your classroom. Even if you know that a student is on a field trip or involved in some other school event, **if he or she is not in your class that day, mark them absent.** The Attendance Office will adjust the attendance later.
- The Attendance Technician will provide teachers with “Period Correction Forms” if there are errors. If you receive a correction form, PLEASE sign and return these as quickly as possible to the Attendance Office. These are required for auditing purposes.

### ***Late Arrivals***

Students who are absent or tardy 30 or more minutes to class are to obtain a readmit slip to campus immediately upon return to school. A readmit slip is the student’s proof that they have cleared their absence through the Attendance Office. Students must present their readmit slip as requested to any staff member on campus. Students who arrive within the first 30 minutes of school should go directly to class and the teacher will mark them tardy.

### ***Truancy or Unverified/Unexcused Absences***

Families that receive the third letter **may** be given a time and date to meet with the Engagement Support Plan team (ESP) to discuss a remedy and sign a contract.
4. Further Absences after the Engagement Support Plan team (ESP) may be referred to the School Attendance Review Board (SARB) for further action to be taken by the District, which may include

a referral to the District Attorney's office for prosecution pursuant to California Penal Code 272 – Contributing to the delinquency of a minor or Truancy Court.

### ***Tardiness and Tardy Sweeps***

A student is considered tardy if the student is not in his/her assigned seat before the bell rings.

- Third Tardy (per quarter) – Teacher conference with student, parent informed and possible teacher assigned detention.
- Fourth **and subsequent** tardies (per quarter) – Teacher conference with student, referral issued, administrative conference, after school detention.

Administration will conduct tardy sweeps on a regular basis. Students not in class during the tardy sweep will be assigned after-school detention. Progressive discipline applies for habitually tardy students.

### ***Challenging Attendance Errors***

If the parent/guardian and student believe that a mark was made in error, the absence may be challenged by following the process below:

- Using Infinite Campus, or by a phone call to the Attendance Office, find out which period the student was marked absent.
- Pick up an Attendance Correction Form outside the Attendance Office, complete it and obtain a teacher signature **or** utilize the e-Correction form at [www.rosemont.scusd.edu/attendance](http://www.rosemont.scusd.edu/attendance).

### ***Make-up work for absences***

If a student is absent for Health Reasons:

- The student is not excused from completing work missed.
- He/she is allowed one day for every day of verified absence to make up work.
- He/she will receive assistance from the teacher to complete missed work.
- Teachers should provide extra work, in lieu of work missed, when appropriate.

***Absences for other reasons*** – Absences for reasons other than health that are deemed reasonable by the school and have the consent of a parent:

1. If a student is absent for reasons other than health, including suspension:
  - He/she must make up for missed work as soon as possible after returning.
  - He/she must take the responsibility for securing assignments and making up the work.
  - If work is made up within a reasonable period of time, students will receive credit.
  - It is the student's responsibility to seek help in completing the assignment.
2. Absences for Suspension .
  - Teachers are required upon parent/student request to send home homework that the student would otherwise have been assigned absent the suspension if two or more school days.
  - If a homework assignment that is requested and turned into the teacher by the student either upon the student's return to the school from suspension or within the timeframe originally prescribed by the teacher, whichever is later, is not graded before the end of the academic term, the assignment shall not be included in the calculation of the pupil's overall grade in the class.

## *Behavior and Campus Climate*

Students in SCUSD have a right to attend a school that is safe, orderly and secure. It is the intent of all staff that our school is free from physical and psychological harm. The goals of the policies related to student behavior are to maintain order and decorum in the school, to educate our youth, to observe accepted rules of conduct, and to develop self-discipline while simultaneously protecting the rights of others. Appropriate behavior in class and on campus is essential to maintaining a learning environment in which every student can achieve his or her full potential. **No student is permitted to disrupt the educational process or infringe upon another student's right to learn or a teacher's right to teach. Teachers should make every effort to follow the progressive discipline plan outlined below and document all formal behavior interventions appropriately prior to making an office referral.** The following interventions will be progressively applied for students choosing to disrupt the learning environment:

- Student/teacher conference (documented in IC Contact Log)
- Parent telephone conference (documented in IC Contact Log)
- Student/parent/teacher/counselor conference/home visits (documented in IC Contact Log)
- Teacher-assigned detention – served with teacher (missed detention can result in doubling the time assigned until served and cleared, or may result in being placed on Administrative detention)
- Teacher referral to administration (*after having exhausted the above or in cases of extreme behavior*)
- Administrative detention (missed detention can result in doubling the time assigned until served and cleared, as well as being placed on the No Activities List and/or Suspension)
- Behavior Contract

### ***Conduct at School Functions***

Students are expected to follow the same code of behavior at school functions that applies to the regular school day. Students suspended from school may not be on campus or at any off-campus school activity during the period of suspension. Some dances and other activities are held on Saturdays, if a student was on suspension the Friday previous to the Saturday event they may not attend. The rules for Saturday activities are the same as for regular school days. School functions include events held at venues other than the RHS campus.

### ***Assemblies/Rallies***

Assemblies and Rallies are a regular part of the educational process. They include programs for education, entertainment, elections, and pep rally functions. They help create better school spirit and develop leadership and talent. Appropriate student conduct is necessary for successful assemblies and rallies. Students should be attentive, responsive, and show common courtesy when someone is speaking or performing. Students may be dismissed from assemblies/rallies, assigned school discipline, and prevented from attending future assemblies/rallies.

### ***Public Displays of Affection***

Students should remember that the school campus is a public professional learning environment and a public facility. Students are to refrain from excessive public displays of affection.

The following actions are unacceptable:

- Kissing on the lips for an extended period of time (making out)
- Sitting on another's lap
- Hugging for an extended period of time
- Hugging/holding from behind (front to back)
- Inappropriate touching
- Or any other action deemed inappropriately affectionate by staff.

\*Consequences can range from a parent contact, detention, referral to the office, or suspension.

### ***After School Detention***

After-school detention serves as a medium-low level student discipline intervention. We use this method of refocusing students toward self-responsible behavior when previous methods of interventions have not changed desired behaviors. A student may be assigned detention for attendance related violations such as tardies/partial absences, cuts and for minor acts of misconduct in or out of the classroom such as (but not limited to) inappropriate language, dress code violation, or inappropriate use of electronic devices, etc.

When a student is assigned detention:

- The assigning staff will inform the student and make contact with family.
- Students will have 24-hour notice for an assigned detention at the time of issuance.
- Teacher-assigned Detention: Will be served on the day, time and place of the teacher's choosing with the teacher.

- Administrator-assigned Detention: The student will receive a detention notification the day of detention delivered to their 6<sup>th</sup> period class called as a courtesy reminder. **Students are responsible for attending assigned detention even if they do not receive a reminder.**

#### ***Missed Detention Policy***

- ✓ Missed 1st detention – Detention time is doubled and the Office Technician will reassign the date and notify the student.

#### ***Missed Teacher-Assigned Detention***

- ✓ For the 1<sup>st</sup> missed teacher-assigned detention – students will be referred to administration and will be assigned administrative after school detention in addition to having to serve the original teacher detention. For each subsequent missed session, students will be assigned an additional day of detention. Continued failure to participate in teacher-assigned and/or administrative detention may result in further administrative action, including possible suspension.

#### **What is expected of a student during detention?**

- Students are to report to detention on time (No more than 7 minutes after the bell). Late students will not be permitted to stay and the next level of infraction will be given.

Students may be placed on the “no activities” list for detention violations.

#### **What if a student is absent from school the day of his or her assigned detention day?**

Detention will be re-assigned for the following day detention is held with no penalty if the absence is excused. If the absence is not excused then the student is subject to the “Missed Detention Policy”.

#### ***Gang-Related Activity***

All gang-related activity on or around SCUSD schools is monitored by the Sacramento Police Department and the Sacramento County Sheriff’s Department. Students validated as gang members are subject to school

disciplinary procedures. If you have any questions about this process, see the School Resource Officer or contact your neighborhood police station.

***Before and After School Conduct (Ed. Code 48900)***

Students are to display proper conduct to and from school, on the grounds and buses, and at all school-sponsored activities on or off campus. Those who engage in fighting, vandalism and/or destruction of private property are subject to school disciplinary action as well as civil and criminal prosecution. **Students not enrolled in after-school programs or participating in school sports are not allowed to loiter on campus or in front of the school and must leave campus within fifteen (15) minutes of the close of the school day. Students attending dances or athletic events should leave or be picked up within THIRTY (30) MINUTES of the conclusion of the event.**

Any student not picked up or departing from RHS grounds within 30 minutes of the end of a school sponsored event may not be allowed to attend the next event. Any student that violates the above multiple times in a school year may not be allowed to attend any school sponsored event for the rest of the school year. Special circumstances and hardships may be accommodated at discretion of school administration and must be made in writing.

### ***Dance Regulations***

Once a student or guest has left the dance, they may not return. Smoking, drinking, possessing or having consumed drugs, alcohol, or tobacco is prohibited and will result in removal and suspension and/or citation. Any failure to follow RHS dance guidelines, dress code or the RHS code of conduct, may result in not being granted entrance into the event or being removed from the event and no refunds will be issued – NO EXCEPTIONS.

Only students with valid Student ID Cards will be allowed into the dance. **Students who come without their student ID will not be admitted – NO EXCEPTIONS.**

Students shall dress in accordance with the RHS dress code (see the dress code in this handbook). In particular for dances please note the following sections of the dress code and dance participation rules:

- Any student who purchases a dance ticket who is on the no activities list or who is in violation of any of the above will not be issued a refund when denied entry.

### ***Dance Bids/Guest Passes***

Dance bids are available for some RHS dances. Dance bids allow non-RHS guests to attend a RHS dance. The RHS student secures a dance bid from the office of the Assistant Principal on which he/she names the guest the student wishes to invite to the dance. Fully completed dance bids must be turned in to the Assistant Principal's office by the deadline on the pass application. **NO LATE APPLICATIONS WILL BE ACCEPTED—NO EXCEPTIONS.** If the dance guest pass application is approved by the administration, the student may then invite his/her guest and purchase a ticket for the guest.

The following guidelines must be followed when using a dance guest pass:

- All guests must have proper identification (valid student body card from the student's home school and/or valid driver's license).
- The RHS student and guest must enter the dance together.
- All guests must be at least high school age and no older than 20 years in order to be invited.

- RHS students are responsible for informing their guests of all dance rules including the dress code. RHS students will be held responsible for the behavior of their guest.
- Entrance to the dance requires the approved dance guest pass, a ticket for each person, and a valid ID card for each person. (The actual physical ID must be presented for entry and no other versions or facsimiles will be accepted)
- Former RHS students will only be approved to attend a dance if they were in good standing while at RHS.
- All guests will be reviewed by RHS admin and/or the school resource officer.
- Students with five (5) days of suspension within the last twelve (12) months will not be allowed to request bids for a guest to attend.

#### ***Dance Bids for RHS student to attend a dance at another school***

Dance bids for a RHS student to attend a dance at another school must be presented to the RHS assistant principals' office 24 hours before it is needed. Students must have fines cleared and be in good discipline standing for the bid to be approved.

## ***Student Services***

### ***Counseling***

Counseling is an integral part of any student's high school career. At Rosemont, we believe that every student should feel safe, secure, and academically prepared to graduate from high school and matriculate to college. Our counselors work closely with teachers to ensure that all students are successfully making adequate progress toward high school completion and meeting college-entrance requirements. Counselors are available to support students with academic, personal/social, and career needs. Students at every grade level should schedule regular meetings with their counselor!

Counseling services include, but are not limited to:

- Academic planning (course selection, transcript review, etc.
- College and Career Exploration, Application and Outreach
- Crisis counseling and group counseling
- Mental Health counseling referrals
- Pregnancy/parenting teen referrals
- Drug/alcohol counseling referrals;
- Conflict resolution mediations; and
- Facilitating parent/teacher conferences.

### ***Academic Class Change***

Because the process of balancing classes occurs in the first few weeks of school, students can expect that their class schedule may change.

### ***Class Transfer/Schedule Change Policy***

Schedule changes are made for the following reasons only:

1. Student failed a course needed to graduate
2. Student took summer school to meet requirement
3. Student needs class to graduate
4. Student needs class for admission into college
5. To level overloaded or undersized classes (*Classes must be leveled to meet class size limitations.*)

We are **NOT** able to make schedule changes due to teacher preference, change of selection, period preference or because a student is failing a class. Administration may authorize transfers depending on individual student's specific circumstances, with consideration given to the quality of the overall instructional program.

### **Initiating a Program/Schedule Change**

- Contact the student's counselor and request the change.
- If the request occurs during the leveling of classes period (first fifteen (15) days of school), the request will be reviewed. The schedule may be changed if the student meets the criteria above. Teachers will be notified of changes in the Infinite Campus in-box.
- For requests outside of the leveling of classes period, the counselor will review the request with the Assistant Principal. A counselor/administrator will attempt to resolve with the student/parent by recommending that they first contact the teacher to discuss the issue(s). If the teacher contact does not resolve the issue, the counselor/administrator will schedule a problem-solving conference involving the counselor/administrator, teacher, student, and parent. Students will be informed that the conference is for problem-solving and that the outcome will not be to take the student out of the class, but rather to clarify expectations and procedures and center the student back into a positive working relationship with the teacher.
- Teachers will not make any agreements with students as they attempt to lobby for a possible schedule change. They will explain that there is a procedure that must be followed and that they need to see their counselor to discuss the request.
- Students in Advanced Placement courses may be removed due to lack of adequate academic performance (grades of D or F) beginning with 1st quarter progress grades and/or enrollment restrictions. Academic progress will be monitored throughout the school year, and students may be removed for inadequate academic progress (grades of D or F).
- Students who are not enrolled in AP courses may still take AP exams.

### ***Student Study Team (SST)***

Any staff member may initiate a Student Study Team (SST) through a school counselor if they are concerned about a student's progress academically, behaviorally, or socially. The SST meeting may initiate any number of responses including counseling, change in program, referral to a special program, or other appropriate interventions.

### ***Special Education***

Parents, school personnel, school district staff, or other persons with knowledge about a student may make a referral requesting that the student be evaluated to determine eligibility for special education. A request for an evaluation to determine if a student qualifies to receive special education services must be made in writing. An email may be used as a written request. The referral should be made to the attention of the Assistant Principal for Special Education.

### ***504 Accommodation Plan***

Not all kids need special education or individualized instruction. But they might still need supports or services at school. Depending on their challenges, they may be able to get that help through a 504 plan. 504 plans are designed to help students with disabilities learn alongside their peers. They do this by removing barriers to learning. 504 plans aren't the same as IEPs. They're each covered by different laws and work in different ways. But the end goal is the same: to help students be successful in school. The request for a Section 504 Plan must be submitted in writing. The Section 504 Team will consider the referral. After reviewing the student's school records (including academic, social and behavioral records), identifying the current strategies in place and the student's needs, the Section 504 Team will make a determination as to whether or not additional evaluation is required. If an additional evaluation is required, the evaluation will be conducted upon confirmation by the parent/guardian to assist the Section 504 team in determining eligibility. For more information, contact a counselor or the Assistant Principal in charge of this team.

### ***Student ID Cards***

Student ID cards will be given out to every student who was present at picture day at the beginning of the school year. **It is required that students carry their student ID at all times when on campus.** Students must have their ID card to make all purchases, attend dances and athletic events and to check out books/technology. There is a \$5 charge for replacing a lost card.

### ***School Library***

The library provides students with an impressive collection of literature, nonfiction work, and reference materials for students and staff. The library also serves as a classroom for instruction on searching the web and databases with regards to research and projects.

The library is open at 8:30 am until the end of the school day. After hours are from 3:30 - 6:00. ASSETs: tutoring is daily after school.

### ***Expectations of Students Using the Library***

During class time, students must have an official pass to use the Library and must sign in upon entering. Food, gum, and drinks (including water) are not allowed in the library. Use a quiet, respectful voice in the library. Return borrowed books to the bin under the counter. Put books, viewed in the library, on the re-shelving cart near the counter. Return furniture, if moved, to its original position. When leaving the library, students must exit through the security gates.

### ***Book Check-out***

Students must have an ID card to check out books and computers.

- Students may check out three books for three weeks each
- Books can be renewed as long as there is no hold on them
- Only two books can be checked out on the same topic
- Reference books, marked R or REF, are available for library use only.
- If students have overdue or lost books, they must resolve the issue with the Librarian before other materials can be checked out.

### ***Student Use of Computers***

Use of school computers and access to the Internet is a privilege and will only be used for school-related education and research. Students are expected to follow the directions of teachers and school staff and abide by the rules of the school and school district. If students do not follow the rules, they will be disciplined and may lose their computer privileges. In order to use a computer, you must have your ID card.

### ***Care of Books, Supplies and Equipment***

Books, supplies, and equipment necessary for required instruction are provided without cost or fee. Students will be charged, however, for damages resulting from abuse or loss of school materials and equipment. Students should not write their names on the inside cover of their books. Parents/guardians and the students are held responsible for all willfully damaged or lost school property. If property is lost or damaged, students or parents/guardians shall be responsible for restitution equal to the current replacement cost of the materials (Board Policy 6161.2).

### ***District Textbook Guidelines***

Textbooks are provided for use by students and remain the property of the Sacramento City Unified School District. Students are responsible for returning textbooks checked out in their name in good condition, with no more wear and tear than would result from normal use. (SCUSD BP 6161.2).

Each student is responsible for all textbooks checked out under his/her name and is subject to fines if books are lost or damaged. Students or parents/guardians are responsible for the current replacement cost of the materials (SCUSD BP 6161.2 and CA Education Code 48904).

Cashier's check, money order, cash or credit card is accepted for payment. Cashier's checks for lost or severely damaged books are made out to Sacramento City Unified School District and payments are accepted in the Controller's Office. If the book(s) is/are later found (within 9 months) and returned, the district will issue a refund check. A receipt must be presented in order to receive a refund.

Fines may be waived in instances of unusual circumstances at the discretion of the principal, his/her designee or the district. Students may be allowed to complete service hours in lieu of cash payment for damaged or lost textbooks.

When materials are damaged but still usable, the student will be charged as follows:

Damage	Cost
Torn pages, ink or pencil marks	\$1.00 per page
Damaged cover	25% of the cost of the book
Damages that prevent re-issuing books (including mold or mildew or obscenities, drawn or written)	Full cost of the book
Missing bar codes	\$5.00

All textbooks must be returned by students at the end of every school year. If not, the district may withhold the student's grades, diploma, and transcripts until restitution is made or an agreement is reached with the site administration (CA Education Code 48904). The student may also be denied participation in school activities, including commencement activities (SCUSD BP 6161.2).

***Registration, Enrollment, and Records:***

Parents/guardians have the right to inspect and review their student's educational records within five days of a written request. All student records contain transcripts, discipline files, health information, and test results. Please submit your request through the Registrar's office to view all records. Copies can be obtained at 25 cents per page. You may contact the Registrar's office at (916) 395-5130 ext. 508033 (Education Code 49063 and 49069). For attendance records, you may submit a request in writing by email to [RHS-Attendance@scusd.edu](mailto:RHS-Attendance@scusd.edu). Copies are available of attendance records at 25 cents per page.

Requests for official transcripts can also be obtained from the Registrar's office. The first two official transcripts are free. The fee for additional transcripts thereafter is \$2.00. Please allow 10 days for all requests to be processed.

***Updating Records***

It's the responsibility of parents/guardians to update student information. When you have a change of address, please bring a copy of your new address to the Registrar for corrections. Having current addresses and telephone numbers is critical to the communication process between home and school. Please complete a new EMERGENCY CARD annually to ensure that we have the most updated information for emergency/liability purposes. Emergency cards are available on the Rosemont website, [rosemont.scusd.edu](http://rosemont.scusd.edu). All students will receive a new emergency card in first day packets, as well. Parents/guardians may use either of these options to complete a new emergency card for the year.

***Emergency Information Cards***

State law requires that every parent or guardian fully complete and sign emergency information cards at the beginning of each school year. Parents must sign the medical release statement. Without this parent/guardian signature, doctors and hospitals refuse to provide emergency treatment. A parent/guardian should contact the

school office immediately with any changes to update emergency information. If there is no telephone in the home, please list the telephone numbers of neighbors/friends who can contact the parent/guardian. **These numbers will be used to contact parents with Messenger outreach and emergency notifications.** Up to three numbers can be entered in the system. Please include an e-mail address if one is available.

### ***Student Check-Out***

The parent/guardian of a student leaving Rosemont High School must complete the student withdrawal form with the Registrar. Students checking out will receive a check-out form which must be signed by each teacher. All materials must be returned to the teacher, and all textbooks must be turned in to the Librarian. Materials and textbooks **NOT** turned in must be listed on the checkout slip to indicate that student records have not been cleared. If a student does not return all materials, the teacher must indicate that on the withdrawal form. Students who have been enrolled at Rosemont High School for a minimum of fifteen (15) days must be assigned a letter grade when checking out. A student who meets this criteria will receive credit from us. Therefore, teachers must put a grade on the checkout form. This represents a **SEMESTER GRADE**. The student is responsible for obtaining signatures from the library, cafeteria, and the textbook room.

## ***Important Information for Seniors***

## *Electronic Device Policy*

It is strongly recommended that non-essential personal property *not* be brought on campus at any time because Rosemont High School cannot guarantee the security of these items and because they are often a distraction to the learning environment and/or they are a potential source of conflict and theft.

If electronic devices are brought on RHS's campus, they are *to be turned off and out of sight during the school day*.

- ✓ Mobile/cell phones must be turned off and stored prior to entering the campus. All ringtones and vibrate mode must be disabled.
- ✓ In order for a device to be sufficiently “put away” it should not be able to be seen or heard by a staff member or other students and should be in a backpack and is not to be in a pocket.
- ✓ All headphones and listening devices of any kind must be removed and out of sight prior to entering school campus.
- ✓ Electronic devices may not be used during school hours. This includes calls in and calls out, games, text messaging, social media messaging, and/or camera, video or audio features.
- ✓ Requesting a pass to go outside or to the restroom to use a mobile/cell phone is NOT permitted.
- ✓ Students may not charge their personal electronic devices at school.
- ✓ Cell phones must be put away while on campus.
- ✓ The use of electronic devices in the library, office, locker rooms, bathrooms or any other on-campus location during class time is prohibited.

*\*Note: Discipline policies regarding electronic devices are detailed on page 30 of this handbook.*

The following are considered non-essential items: **cell/mobile phones, earbuds, smart watches**, MP3 players, iPods, tablets, personal computers, laptops, CD players, television sets, pagers, video cameras, walkie-talkies, handheld games, or any other electronic device. If an electronic device is used during class, rally, or an assembly, it may be confiscated.

Lost or stolen electronic devices that are brought on campus will NOT be the financial responsibility of Rosemont High School. Rosemont High School cannot guarantee the security or the recovery of lost or stolen electronic devices therefore, if students bring personal devices to school, they do so at their own risk.

Parents/Guardians - Please be aware that calling your student during the school day puts him or her at risk of disciplinary action. If you need to reach your child in an emergency during the school day, please call (916) 395-5130 and dial extension "0".

**Rosemont High School assumes no responsibility to recover any electronic devices brought to school or to school-sponsored activities. The school will not investigate cases of lost or stolen phones or like devices. Any unclaimed electronic devices will be disposed of one week after the last day of school.**

## *Technology and Acceptable Use Policies*

### *Student Use of Technology*

The Governing board recognizes that technology provides ways to access the most current and extensive sources of information. Technology also enables students to practice skills and to develop reasoning and problem-solving abilities. Every effort shall be made to provide equal access to technology throughout the district's schools and classes.

### **On-Line Services/Internet Access**

The Board intends that the Internet and other on-line resources provided by the district be used to support the instructional program and further student learning.

The Internet contains an unregulated collection of resources. The district maintains a filter for objectionable content, but the district cannot guarantee the accuracy of the information or the appropriateness of any material that a student may encounter. Internet content changes dynamically and is not under district control. Parents/guardians who do not wish their children to access the Internet must submit a request in writing to the principal of any school their child attends. Acceptable Use regulations shall specify user obligations and responsibilities and shall indemnify the district for any damages.

The Superintendent or designee shall establish regulations governing student access to technology that are age appropriate. These regulations shall prohibit access to harmful matter on the Internet that may be obscene or pornographic and preclude other misuses of the system. In addition, these regulations shall establish the fact that users have no expectation of privacy and that district staff may monitor or examine all system activities to ensure proper use of the system. Students who fail to abide by district rules shall be subject to disciplinary action, revocation of the user account and/or legal action as appropriate.

Staff shall supervise students while using on-line services and may ask teacher aides and student aides to assist in this supervision.
