ABC - Attendance, Behavior, and Climate

The ABC office would like to share the following:

Updated Tardy Sweep Information:

Teachers, going forward we will have a new process to conduct hall sweeps. The new process is even easier, all you need to do is take an accurate attendance marking any students that are not in their seat at the sound of the bell. tardy. We will take care of the rest !!!! All students that are marked tardy will be assigned a 30 minute detention. Thank you for your help.

Safety Team Support

Together we have been making an impact in campus culture and we want to keep the momentum going. There are a few reminders to help support us and your colleagues in maintaining.

- Wait until the bell to dismiss students. If a student leaves prior to the bell, please send an email to Mr. Garcia for a referral. Hold to the first 10 and last 10 policy.
 - Early release for lunch is 2 minutes. If you go early then in pressures us all.
 - Please make sure outreach to parents is documented and referrals are filled out (or entered into IC if you are savvy like that).
 - One student at a time on passes and use 5 Star to see the frequency of passes for a student.
 - We do use restrictions for groups (i.e., a friend is already out on a pass). Have that volume up or the screen visible on your kiosks to see if a pass is temporarily blocked before the student goes out the door.
 - Let us know how we can support you, as well.
