Criteria for participating in the 2024 Graduation Ceremony

Seniors and their families should review the information about the 2024 Graduation Ceremony in the [Information for 2024 Seniors](#) document. The information is also in the 2024 Student Handbook. Many of the requirements are effective as of the beginning of the second semester, so it's important to know the criteria for participation. As always, please reach out with any questions.

We are going back to our pre-Covid Cord requirements for senior awards. All students must have an overall GPA from 10th-12th grade (leaving out the Covid year) of 2.7 and above and be on track for graduation. They must have been in the academy the last 3 years. LEAD students must have completed their community service along with the GPA requirement.

It will be held on January 22nd and 23rd after school in the Lower E building and the library from 1:00 - 3:00 pm. ASB will supply pretzels and hot cocoa. Students who attend will scan a QR Code to report their attendance and receive participation points on 5 Star.

Golden Wolverine Awards

Rosemont High School's annual Golden Wolverine Award celebration is back for 2024! All staff members will have the opportunity to recognize any two students they see as deserving. Golden Wolverine Award recipients receive an award certificate, Golden Wolverine Award Pen, and a breakfast. Selected students will receive their invitations on January 30th.

Breaking Down the Walls

Coming up soon after the break is Breaking Down the Walls (Feb. 5th - 8th). The Breaking Down the Walls workshop will guide students through the process of learning to work together, creating a place of respect, and

having the opportunity to share their story. The program designers believe “it’s hard to hate someone whose story you know.”. Selected students will be participating during one of the workshop days.

Rosemont Staff Spotlight - Linda Zanze

We are introducing a new section for our Wolverine update. Fellow Rosemont parent, Leslie Foster, will be profiling members of the Rosemont staff. We decided it would be great to start off with the first face you see when you come to Rosemont, Ms. Zanze. Thank you, Ms. Foster for sharing these stories. - Jones

I am so excited for you to learn a little more about our staff. I know there have been some complaints about staff and I want to bridge that gap so we get a little more understanding and know where the staff is coming from when they do their jobs.

So first off, I would love to start off with Linda Zanze. Mrs. Zanze is the one who mans the front desk at our school. A little history about her, she was actually on the committee to bring Rosemont High School to our community. She was determined to bring a high school to our community. She definitely succeeded. Mrs. Zanze has been with RHS for 20 years. When I sat down with Mrs. Zanze, she told me about a day’s work at RHS. I have also taken the time to sit and observe what some of her day is like.

Linda is the first face we see when we enter the school. She explained the only doors that are open for students to enter are the one by her desk and the door we enter in the front. Her head is on a constant swivel constantly watching who is coming and going. She is very diligent about knowing what is going on. I have learned that she was the one to remind staff about what was going on with my son. She pay close attention to our kids. She is very fair with her decision making. She makes sure she is there everyday. She is the consistency of RHS.

One thing to help understand Linda is she is a very straightforward person. She is a rule follower. She follows the protocols of SCUSD. They are very strict with the rules and what they can and can’t say or do. She is there everyday, she wants the best for our kids, and she also wants to be there for us parents to help point us in the right direction.

In the time I have spent observing the front office, I have seen parents come in hot, kids come in with no respect, parents cursing, and kids try to walk out the front door. I am hoping that parents will read this and know she is a good person who takes her job seriously. So what we may think is rude or harsh, is actually coming from a woman who comes to work everyday to help keep our kids safe and is at the front line for everything. She is truly a friendly person. So when you are in the office or see her in the community say ‘hi’. I loved getting to know Linda Zanze.

Robotics

Wolverine Robotics is here! Before announcing our team's progress, we will be helping out the Einstein Eagles 6949, the robotics team from Albert Einstein Middle School. They need volunteers for their FTC competition at Rosemont High School (9594 Kiefer Boulevard Sacramento, CA USA) that will be held on Saturday, February 3rd, 2024. Volunteers do not need any specific experience, and will be given a job/training upon signing up. If interested or for further information, please contact kimst@scusd.edu.

Our 10th annual competition season has begun! Wolverine Robotics team 5274 will be competing in the 2024 FRC Crescendo Challenge. We had team representatives attend the game reveal early January 6th at Davis Senior High School and then the rest of the team gathered later that day for a Kickoff celebration at the Round

Table on Kiefer Boulevard to preview the coming season rules and begin the design process. We're actively creating prototypes and troubleshooting robot designs. Feel free to show your support or see what our members are up to by stopping by the Theater shop. You can also show your support at our first competition held locally at Pleasant Grove High School from March 13th-16th. If you see any students wearing robotics gear, ask them about it!

REMINDERS

First Period Counts

Effective immediately, we are re-emphasizing first period attendance. Beginning November 6th, 2023, **1st period absences and tardies will carry the same weight as other periods** when factoring in participation in events and athletics. Students facing issues, such as transportation, that affect attendance beyond a student's control can be reviewed by our Engagement Support team or Administration for exceptions.

Cell Phone Policy

- It is strongly recommended that non-essential personal property not be brought on campus because we cannot guarantee the security of these items and because they are a distraction to the learning environment and/or are a potential source of trouble.
- The rule is that if electronic devices are brought to Rosemont's campus, they are not allowed to be out during class time without teacher permission. The following are considered non-essential items:
 - Cell phones
 - Music devices: (e.g., MP3 players, iPods, iPads, laptops, CD players)
 - Video cameras, walkie-talkies, handheld games, or any other electronic devices.
- The state of California adopted Assembly Bill 272 in July of 2019. The bill declares that there is growing evidence that unrestricted use of smartphones by students during the school day interferes with the educational mission of schools; lowers pupil performance, promotes cyberbullying; and contributes to an increase in teenage anxiety, depression, and suicide. The bill further encourages local agencies to adopt policies to address cell phone use in schools. SCUSD has a Board Policy that pre-dates yet aligns with AB 272.
- How this works at Rosemont
 - Classroom Level – Depending on the teacher's classroom room policy, electronic device violations can be addressed through: prompts, phone cubbies, paper lunch storage bags, calls home, etc.
 - Campus Monitor Level – If a student does not comply with the device policy a campus monitor or administrator will pick up just the device and the device will be returned to the student according to the following progression:
 - 1st offense: After class
 - 2nd offense: After school
 - 3rd and beyond: Must be picked up by the parent or guardian.
 - Administration Level – If the student does not want to turn the device over and return to class then the student will come to the office and the device will be checked in. Parents/Guardians will be contacted to pick it up. Students will then be returned to class.

Reporting Absences

Parents/Guardians must clear absences within two weeks of the absence. Any uncleared absences will become trancies. To report an absence, please visit the [attendance page](#) on the Rosemont website.

Elevator Keys

It is the responsibility of each student to personally return elevator keys daily. Elevator keys are not to be taken home under any circumstances. Only a student with an injury is allowed on the elevator, not friends. The only person that should enter the office to check out a key is the injured student. Please do not bring friends with you. Thank you.

Early Dismissals

Early dismissals will end 30 minutes prior to the end of the school day. If you need to pick up a student for an early dismissal please plan to pick them up prior to 3:00 pm on M, T, W, and F and prior to 2:00 pm on Th.

First Period Tardies

PLEASE drop off students in time for them to arrive on time to 1st period. We are already seeing a number of students dropped off very close to the bell (at 8:23) or after the bell has rung. Those students are missing valuable instruction and creating a disruption for 1st period classes. If we can help in any way with this process, let us know!

Tardies Throughout the Day

In order for teachers to maximize instruction, **students must arrive to every class on time**. They have seven minutes for passing, which includes time for them to use the restroom and get to their next class. This week, we'll start **random tardy sweeps** throughout the day. Students who are not in their classroom when the bell rings will be assigned after-school detention. Failure to serve detention will result in further disciplinary action.

Elevator Keys

We have a very limited number of elevator keys available for students. If you need an elevator key, please provide a medical note to our office manager. Keys are checked out each morning and returned by the end of each school day.

DoorDash and Other Food Delivery Services

Just a reminder that we do not allow DoorDash or other food deliveries for students. If students receive food deliveries, the food will be held until the end of the school day.

Family members can drop off food at the front office. However, unless there is a medical reason on file, students will not be pulled out of class to pick up food.
