The Rundown

SAT Day - March 6th (Juniors only)

Hello families! We will be hosting the SAT School Day exam on Wednesday, March 6th. This will be most of the morning for our Juniors.

Juniors should report to Upper E for testing when they arrive at school. Testing begins at 8:30 am so that students will have enough time to complete the exam before lunch.

It is critical that students be on time that day and bring a fully charged laptop to school. Students should also get a good rest the night before and leave time to have breakfast in the morning.

You can find information about the SAT exam [here](#), a list of acceptable calculators for the exam [here](#), and test previews [here](#) or [here](#). Note that the DESMOS function has a calculator embedded in the app. Please let Ms. Hensley know if you have any questions. katy-hensley@scusd.edu

Family Lunch Day

On March 15th we will be inviting families to come up, bring lunch, and eat with their students. Families will meet in the small gym and check in from the student parking end. We also are happy to invite staff to participate if there is a student they would like to bring lunch for and have lunch with. Sign up sheet to follow.

Look for more information from our parent advisor, Tammy Vann, or email for more information at tammy-vann@scusd.edu. If you have completed a volunteer packet and would like to help please contact Ms. Vann.

No Hate Tour Assembly - March 11th

On March 11th we will have two No Hate Tour assemblies. Freshmen and Seniors during 2nd period and Sophomores and Juniors during 3rd period. Students will check in at their classes and then dismiss to the gym.

The No Hate High School Tour, now in its 23rd year, is an incredibly impactful educational program that uses the energy and excitement of action sports to deliver critical bullying prevention tools, techniques, and information to students in a relatable, peer-to-peer manner.

The program features top BMX pros that teens admire performing high-energy action sports shows on campus while speaking to the students about their own experiences with bullying (both online and offline), overcoming obstacles, being an ally, inclusion, kindness, surrounding yourself with positive influences, problem solving, mental health awareness, and other important subjects that really resonate with teens.

WASC - School Accreditation Process

Next school year Rosemont will undergo our accreditation review. Rosemont High School is looking for Parent Volunteers to participate in our WASC accreditation process. We need Parent Representatives to attend staff meetings every Third Thursday of this school year, and three Thursdays next year, as our teachers and student representatives work together on our campus report. Your voice is very important in this process and we want to make sure that you are represented and heard.

The dates for this year are March 21st, April 18th, May 16th. The meetings would be from 2:42 PM - 3:42 PM. If you have any questions, please reach out to the WASC Coordinator, Nicholas Santiago, via email at nicholas-santiago@scusd.edu

Alerts and Drills

As many of you know, there was a brief lockdown last week that was triggered, in part, by a miscommunication between law enforcement agencies leading to a response beyond what we were anticipating. The issue was quickly resolved and the lockdown was lifted within a few minutes. There was never any risk to campus.

Understandably, it was an impactful event to students, staff, and their families. Our Safety Team and Safety Committee are reviewing ways to be better prepared for these situations. We are revising our plans for drills and lockdowns that happen during lunch and passing periods. We will be conducting a drill under similar circumstances this spring, as well as other drills.

We will communicate as quickly as we can about events. Please make sure your contact information is up-to-date with the school. Here is how you can support the school in the event of a real, or potential, emergency:

- **Do not rush to the campus.** In the event of an actual emergency the rush of concerned family members can create an unsafe situation by:
 - Putting more people into a dangerous situation.
 - Potentially drawing your student out into a safety hazard.
 - Overwhelming school resources and staff managing the situation and diverting resources and attention away from keeping students and staff as safe as possible.
- **Do not rely on, or spread, misinformation.** Not only can this cause unnecessary panic, but also create a situation where resources are diverted to managing the false panic. We will get information to you as quickly as we can, and often that is as soon as we've assessed the situation and ensured the security of campus.

REMINDERS

First Period Counts

Effective immediately, we are re-emphasizing first period attendance. Beginning November 6th, 2023, **1st period absences and tardies will carry the same weight as other periods** when factoring in participation in events and athletics. Students facing issues, such as transportation, that affect attendance beyond a student's control can be reviewed by our Engagement Support team or Administration for exceptions.

Cell Phone Policy

- It is strongly recommended that non-essential personal property not be brought on campus because we cannot guarantee the security of these items and because they are a distraction to the learning environment and/or are a potential source of trouble.
- The rule is that if electronic devices are brought to Rosemont's campus, they are not allowed to be out during class time without teacher permission. The following are considered non-essential items:
 - Cell phones
 - Music devices: (e.g., MP3 players, iPods, iPads, laptops, CD players)
 - Video cameras, walkie-talkies, handheld games, or any other electronic devices.
- The state of California adopted Assembly Bill 272 in July of 2019. The bill declares that there is growing evidence that unrestricted use of smartphones by students during the school day interferes with the educational mission of schools; lowers pupil performance, promotes cyberbullying; and contributes to an increase in teenage anxiety, depression, and suicide. The bill further encourages local agencies to adopt policies to address cell phone use in schools. SCUSD has a Board Policy that pre-dates yet aligns with AB 272.
- How this works at Rosemont
 - **Classroom Level** – Depending on the teacher's classroom room policy, electronic device violations can be addressed through: prompts, phone cubbies, paper lunch storage bags, calls home, etc.
 - **Campus Monitor Level** – If a student does not comply with the device policy a campus monitor or administrator will pick up just the device and the device will be returned to the student according to the following progression:
 - 1st offense: After class
 - 2nd offense: After school
 - 3rd and beyond: Must be picked up by the parent or guardian.

- Administration Level – If the student does not want to turn the device over and return to class then the student will come to the office and the device will be checked in. Parents/Guardians will be contacted to pick it up. Students will then be returned to class.

Reporting Absences

Parents/Guardians must clear absences within two weeks of the absence. Any uncleared absences will become truancies. To report an absence, please visit the [attendance page](#) on the Rosemont website.

Elevator Keys

It is the responsibility of each student to personally return elevator keys daily. Elevator keys are not to be taken home under any circumstances. Only a student with an injury is allowed on the elevator, not friends. The only person that should enter the office to check out a key is the injured student. Please do not bring friends with you. Thank you.

Early Dismissals

Early dismissals will end 30 minutes prior to the end of the school day. If you need to pick up a student for an early dismissal please plan to pick them up prior to 3:00 pm on M, T, W, and F and prior to 2:00 pm on Th.

First Period Tardies

PLEASE drop off students in time for them to arrive on time to 1st period. We are already seeing a number of students dropped off very close to the bell (at 8:23) or after the bell has rung. Those students are missing valuable instruction and creating a disruption for 1st period classes. If we can help in any way with this process, let us know!

Tardies Throughout the Day

In order for teachers to maximize instruction, **students must arrive to every class on time**. They have seven minutes for passing, which includes time for them to use the restroom and get to their next class. This week, we'll start **random tardy sweeps** throughout the day. Students who are not in their classroom when the bell rings will be assigned after-school detention. Failure to serve detention will result in further disciplinary action.

Elevator Keys

We have a very limited number of elevator keys available for students. If you need an elevator key, please provide a medical note to our office manager. Keys are checked out each morning and returned by the end of each school day.

DoorDash and Other Food Delivery Services

Just a reminder that we do not allow DoorDash or other food deliveries for students. If students receive food deliveries, the food will be held until the end of the school day.

Family members can drop off food at the front office. However, unless there is a medical reason on file, students will not be pulled out of class to pick up food.
