No Hate Tour Assembly - Monday, March 11th

On March 11th we will have two No Hate Tour assemblies. Freshmen and Seniors during 2nd period and Sophomores and Juniors during 3rd period. Students will check in at their classes and then dismiss to the gym.

The No Hate High School Tour, now in its 23rd year, is an incredibly impactful educational program that uses the energy and excitement of action sports to deliver critical bullying prevention tools, techniques, and information to students in a relatable, peer-to-peer manner.

The program features top BMX pros that teens admire performing high-energy action sports shows on campus while speaking to the students about their own experiences with bullying (both online and offline), overcoming obstacles, being an ally, inclusion, kindness, surrounding yourself with positive influences, problem solving, mental health awareness, and other important subjects that really resonate with teens.

Taste of Rosemont

Rosemont High School invites you and your family to A Taste of Rosemont on Thursday, April 25th from 5:30 - 7:30 pm in the cafeteria. The goal is to share multicultural foods and encourage students to try new things and represent their culture. Wristbands will be sold at the door for \$13, and all samples of food will be free. Any group on campus is welcome to contribute their food and drink to share. All groups will be reimbursed for their contributions. If you or your friends are interested in sharing food or drink at this event, please attend the meeting on Tuesday, March 12th at lunch in E113. This is the same meeting as Essence of Rosemont

LCAP School Climate Survey

Data from this survey helps to inform our support for school sites toward improving culture and climate, especially in the areas of connectedness, safety, and social emotional learning.. The survey results will also be used to support district priorities, the actions in the LCAP (State Priority 6: School Climate) and reporting in the California School Dashboard.

Student Survey: The student survey is administered online to students in grades 3-12. Student voice is a priority of the Board of Education as it is critical to inform district planning. The student survey is available for anyone to review [here](#) and on the [School Climate Survey webpage](#).

Family Survey: The family survey can be taken by all parents or caregivers. This survey will be available online in English and the five district threshold languages February 26 – March 22, 2024. Please share the link to the [School Climate Survey webpage](#) through your usual communication channels (text, Facebook, newsletter, web page, phone reminders, etc.). The information will also be shared through the Scroll, Infinite Campus and social media.

WASC - School Accreditation Process

Next school year Rosemont will undergo our accreditation review. Rosemont High School is looking for Parent Volunteers to participate in our WASC accreditation process. We need Parent Representatives to attend staff meetings every Third Thursday of this school year, and three Thursdays next year, as our teachers and student representatives work together on our campus report. Your voice is very important in this process and we want to make sure that you are represented and heard.

The dates for this year are March 21st, April 18th, May 16th. The meetings would be from 2:42 PM - 3:42 PM. If you have any questions, please reach out to the WASC Coordinator, Nicholas Santiago, via email at nicholas-santiago@scusd.edu. Check the form: [here](#)

Japanese Class Field Trip

Rosemont students were invited to participate in a traditional tea ceremony at the Urasenke Foundation in San Francisco. They learned about the history of tea ceremonies, as well as essential phrases and body language unique to this thousand year-old celebration of tea and community. Students ate wagashi, a traditional Japanese sweet, and drank matcha specifically made for each of them. It was an amazing opportunity to participate in a cultural practice hands-on, and a way to deepen their appreciation for the uniqueness of Japan.

REMINDERS

First Period Counts

Effective immediately, we are re-emphasizing first period attendance. Beginning November 6th, 2023, **1st period absences and tardies will carry the same weight as other periods** when factoring in participation in events and athletics. Students facing issues, such as transportation, that affect attendance beyond a student's control can be reviewed by our Engagement Support team or Administration for exceptions.

Cell Phone Policy

- It is strongly recommended that non-essential personal property not be brought on campus because we cannot guarantee the security of these items and because they are a distraction to the learning environment and/or are a potential source of trouble.
- The rule is that if electronic devices are brought to Rosemont's campus, they are not allowed to be out during class time without teacher permission. The following are considered non-essential items:
 - Cell phones
 - Music devices: (e.g., MP3 players, iPods, iPads, laptops, CD players)
 - Video cameras, walkie-talkies, handheld games, or any other electronic devices.
- The state of California adopted Assembly Bill 272 in July of 2019. The bill declares that there is growing evidence that unrestricted use of smartphones by students during the school day interferes with the educational mission of schools; lowers pupil performance, promotes cyberbullying; and contributes to an increase in teenage anxiety, depression, and suicide. The bill further encourages local agencies to adopt policies to address cell phone use in schools. SCUSD has a Board Policy that pre-dates yet aligns with AB 272.
- How this works at Rosemont
 - Classroom Level – Depending on the teacher's classroom room policy, electronic device violations can be addressed through: prompts, phone cubbies, paper lunch storage bags, calls home, etc.
 - Campus Monitor Level – If a student does not comply with the device policy a campus monitor or administrator will pick up just the device and the device will be returned to the student according to the following progression:
 - 1st offense: After class
 - 2nd offense: After school
 - 3rd and beyond: Must be picked up by the parent or guardian.
 - Administration Level – If the student does not want to turn the device over and return to class then the student will come to the office and the device will be checked in. Parents/Guardians will be contacted to pick it up. Students will then be returned to class.

Reporting Absences

Parents/Guardians must clear absences within two weeks of the absence. Any uncleared absences will become trancies. To report an absence, please visit the [attendance page](#) on the Rosemont website.

Elevator Keys

It is the responsibility of each student to personally return elevator keys daily. Elevator keys are not to be taken home under any circumstances. Only a student with an injury is allowed on the elevator, not friends. The only person that should enter the office to check out a key is the injured student. Please do not bring friends with you. Thank you.

Early Dismissals

Early dismissals will end 30 minutes prior to the end of the school day. If you need to pick up a student for an early dismissal please plan to pick them up prior to 3:00 pm on M, T, W, and F and prior to 2:00 pm on Th.

First Period Tardies

PLEASE drop off students in time for them to arrive on time to 1st period. We are already seeing a number of students dropped off very close to the bell (at 8:23) or after the bell has rung. Those students are missing valuable instruction and creating a disruption for 1st period classes. If we can help in any way with this process, let us know!

Tardies Throughout the Day

In order for teachers to maximize instruction, **students must arrive to every class on time**. They have seven minutes for passing, which includes time for them to use the restroom and get to their next class. This week, we'll start **random tardy sweeps** throughout the day. Students who are not in their classroom when the bell rings will be assigned after-school detention. Failure to serve detention will result in further disciplinary action.

Elevator Keys

We have a very limited number of elevator keys available for students. If you need an elevator key, please provide a medical note to our office manager. Keys are checked out each morning and returned by the end of each school day.

DoorDash and Other Food Delivery Services

Just a reminder that we do not allow DoorDash or other food deliveries for students. If students receive food deliveries, the food will be held until the end of the school day.

Family members can drop off food at the front office. However, unless there is a medical reason on file, students will not be pulled out of class to pick up food.
