The Rundown

New-ish Wolverine

Let's take a moment to welcome our new Athletic Director, Brad Watson. He has been at Rosemont as our girls soccer coach and we are now excited to have him join us as our AD. District email and office coming soon, but he is on-boarded and ready to go..

Bathrooms, Passes, and Hall Sweeps

As many may know, the abuse and damage of bathrooms is an issue. We would like to share a reminder of our bathroom usage policy as we want the bathrooms to be a place all can use and free from crowds, vape, and damage and some additional steps we will be taking:

- **During passing:** We will open as many bathrooms as possible during passing. There will be crowd control and you may be required to wait to enter.
- **During passing:** When the passing music plays, all restrooms will be closed and all students must make their way to class. Students who continue to hang out in the restrooms at this point could face school discipline.
- **During class:** The restrooms will be closed during the first 10 minutes of class and the last 10 minutes of class. If there is a real urgent need, get a pass from your teacher and check-in with a campus monitor, or the front desk. Students who leave backpacks in the classroom are still tardy if they are not in the classroom when the bell rings.
- **During class:** There is no need to cross the quad to use the restroom. Buildings B, C, and E use the C building. PE and the J building use the J-building restrooms or the locker room restrooms.
- **Passes:** All students are required to have a pass with a time and date from their teacher or the office to be out during class time. Passes are limited to 5-7 minutes and should be yellow passes or digital 5 Star passes.
- **Hall sweeps and Detentions:** Students caught in a hall sweep periods 1-4 will report to the small gym during the first 20 minutes of lunch and during periods 5 and 6 will report the next school day. Not reporting will result in additional time added. The small gym will remain closed at lunch until the number of students in hall sweeps is down to a level that we can accommodate in the administration building.

Inter-and Intra-District Permit Applications Open

Between April 15 and May 3, families have the opportunity to transfer from another district into SCUSD schools AND SCUSD students may also apply to switch to a different school other than their neighborhood school. The first step is to create a SchoolMint account, add a student and indicate whether your student is currently enrolled in SCUSD schools. Instructions for creating this account and how to apply for an inter- or intra-district permit transfer can be found [here](#). Permits are approved based on space availability at the school of your choice, and grades, attendance, and discipline reports will also be considered.

REMINDERS

First Period Counts

Effective immediately, we are re-emphasizing first period attendance. Beginning November 6th, 2023, **1st period absences and tardies will carry the same weight as other periods** when factoring in participation in events and athletics. Students facing issues, such as transportation, that affect attendance beyond a student's control can be reviewed by our Engagement Support team or Administration for exceptions.

Cell Phone Policy

- It is strongly recommended that non-essential personal property not be brought on campus because we cannot guarantee the security of these items and because they are a distraction to the learning environment and/or are a potential source of trouble.
- The rule is that if electronic devices are brought to Rosemont's campus, they are not allowed to be out during class time without teacher permission. The following are considered non-essential items:
 - Cell phones
 - Music devices: (e.g., MP3 players, iPods, iPads, laptops, CD players)
 - Video cameras, walkie-talkies, handheld games, or any other electronic devices.
- The state of California adopted Assembly Bill 272 in July of 2019. The bill declares that there is growing evidence that unrestricted use of smartphones by students during the school day interferes with the educational mission of schools; lowers pupil performance, promotes cyberbullying; and contributes to an increase in teenage anxiety, depression, and suicide. The bill further encourages local agencies to adopt policies to address cell phone use in schools. SCUSD has a Board Policy that pre-dates yet aligns with AB 272.
- How this works at Rosemont
 - Classroom Level – Depending on the teacher's classroom room policy, electronic device violations can be addressed through: prompts, phone cubbies, paper lunch storage bags, calls home, etc.
 - Campus Monitor Level – If a student does not comply with the device policy a campus monitor or administrator will pick up just the device and the device will be returned to the student according to the following progression:
 - 1st offense: After class
 - 2nd offense: After school
 - 3rd and beyond: Must be picked up by the parent or guardian.
 - Administration Level – If the student does not want to turn the device over and return to class then the student will come to the office and the device will be checked in. Parents/Guardians will be contacted to pick it up. Students will then be returned to class.

Reporting Absences

Parents/Guardians must clear absences within two weeks of the absence. Any uncleared absences will become trancies. To report an absence, please visit the [attendance page](#) on the Rosemont website.

Elevator Keys

It is the responsibility of each student to personally return elevator keys daily. Elevator keys are not to be taken home under any circumstances. Only a student with an injury is allowed on the elevator, not friends. The only person that should enter the office to check out a key is the injured student. Please do not bring friends with you. Thank you.

Early Dismissals

Early dismissals will end 30 minutes prior to the end of the school day. If you need to pick up a student for an early dismissal please plan to pick them up prior to 3:00 pm on M, T, W, and F and prior to 2:00 pm on Th.

First Period Tardies

PLEASE drop off students in time for them to arrive on time to 1st period. We are already seeing a number of students dropped off very close to the bell (at 8:23) or after the bell has rung. Those students are missing valuable instruction and creating a disruption for 1st period classes. If we can help in any way with this process, let us know!

Tardies Throughout the Day

In order for teachers to maximize instruction, **students must arrive to every class on time**. They have seven minutes for passing, which includes time for them to use the restroom and get to their next class. This week, we'll start **random tardy sweeps** throughout the day. Students who are not in their classroom when the bell rings will be assigned after-school detention. Failure to serve detention will result in further disciplinary action.

Elevator Keys

We have a very limited number of elevator keys available for students. If you need an elevator key, please provide a medical note to our office manager. Keys are checked out each morning and returned by the end of each school day.

DoorDash and Other Food Delivery Services

Just a reminder that we do not allow DoorDash or other food deliveries for students. If students receive food deliveries, the food will be held until the end of the school day.

Family members can drop off food at the front office. However, unless there is a medical reason on file, students will not be pulled out of class to pick up food.
