## **REMINDERS**

### **First Period Counts**

Effective immediately, we are re-emphasizing first period attendance. Beginning November 6th, 2023, **1st period absences and tardies will carry the same weight as other periods** when factoring in participation in events and athletics. Students facing issues, such as transportation, that affect attendance beyond a student's control can be reviewed by our Engagement Support team or Administration for exceptions.

### **Cell Phone Policy**

- It is strongly recommended that non-essential personal property not be brought on campus because we cannot guarantee the security of these items and because they are a distraction to the learning environment and/or are a potential source of trouble.
- The rule is that if electronic devices are brought to Rosemont's campus, they are not allowed to be out during class time without teacher permission. The following are considered non-essential items:
  - Cell phones
  - Music devices: (e.g., MP3 players, iPods, iPads, laptops, CD players)

- Video cameras, walkie-talkies, handheld games, or any other electronic devices.
- The state of California adopted Assembly Bill 272 in July of 2019. The bill declares that there is growing evidence that unrestricted use of smartphones by students during the school day interferes with the educational mission of schools; lowers pupil performance, promotes cyberbullying; and contributes to an increase in teenage anxiety, depression, and suicide. The bill further encourages local agencies to adopt policies to address cell phone use in schools. SCUSD has a Board Policy that pre-dates yet aligns with AB 272.
- How this works at Rosemont
  - Classroom Level – Depending on the teacher’s classroom room policy, electronic device violations can be addressed through: prompts, phone cubbies, paper lunch storage bags, calls home, etc.
  - Campus Monitor Level – If a student does not comply with the device policy a campus monitor or administrator will pick up just the device and the device will be returned to the student according to the following progression:
    - 1st offense: After class
    - 2nd offense: After school
    - 3rd and beyond: Must be picked up by the parent or guardian.
  - Administration Level – If the student does not want to turn the device over and return to class then the student will come to the office and the device will be checked in. Parents/Guardians will be contacted to pick it up. Students will then be returned to class.

### **Reporting Absences**

Parents/Guardians must clear absences within two weeks of the absence. Any uncleared absences will become truancies. To report an absence, please visit the [attendance page](#) on the Rosemont website.

### **Elevator Keys**

It is the responsibility of each student to personally return elevator keys daily. Elevator keys are not to be taken home under any circumstances. Only a student with an injury is allowed on the elevator, not friends. The only person that should enter the office to check out a key is the injured student. Please do not bring friends with you. Thank you.

### **Early Dismissals**

Early dismissals will end 30 minutes prior to the end of the school day. If you need to pick up a student for an early dismissal please plan to pick them up prior to 3:00 pm on M, T, W, and F and prior to 2:00 pm on Th.

### **First Period Tardies**

PLEASE drop off students in time for them to arrive on time to 1st period. We are already seeing a number of students dropped off very close to the bell (at 8:23) or after the bell has rung. Those students are missing valuable instruction and creating a disruption for 1st period classes. If we can help in any way with this process, let us know!

### **Tardies Throughout the Day**

In order for teachers to maximize instruction, **students must arrive to every class on time**. They have seven minutes for passing, which includes time for them to use the restroom and get to their next class. This week, we’ll start **random tardy sweeps** throughout the day. Students who are not in their classroom when the bell rings will be assigned after-school detention. Failure to serve detention will result in further disciplinary action.

### **Elevator Keys**

We have a very limited number of elevator keys available for students. If you need an elevator key, please provide a medical note to our office manager. Keys are checked out each morning and returned by the end of each school day.

### **DoorDash and Other Food Delivery Services**

Just a reminder that we do not allow DoorDash or other food deliveries for students. If students receive food deliveries, the food will be held until the end of the school day.

Family members can drop off food at the front office. However, unless there is a medical reason on file, students will not be pulled out of class to pick up food.
