Week 4

Club Rush

In the Quad at lunch on Tuesday and Wednesday.

There is a mandatory meeting Monday during Lunch in room E110 for all clubs. At this meeting, clubs will be given their passes for the 10th and table assignments. Thank you!

Kelvin Climate Survey

Window opens on Monday the 9th. Survey will be conducted in Social Science classes.

Hall Passes

Students must have passes at all times when out of class during instructional time.

Passes are restricted during the first 10 minutes of class and the last 10 minutes of class. If there is an urgent situation during that time, the teacher will provide the student with a pass to the office.

Restrooms - Just one more time

Despite what you hear on Facebook, they are open. Students do not need to spend time looking for restrooms. If one is crowded, there is another one open with virtually no traffic. During class, students are expected to use the restroom nearest their class. No need to cross the quad.

The facilities team is expected to check the restrooms at least twice during the school day. There is cleaning log on each door that students can check to see the last time it was serviced. If there is an issue, please let a staff member know. You would be surprised how quickly things can get broken or things can get flushed in toilets that clog and overflow them, however, our facilities team is quickly on issues brought to our attention.

Attendance:

All Rosemont, students are responsible for maintaining good daily attendance. Students who miss just two days each month are considered chronically absent and have a significantly increased risk of failing classes and failing to stay on-track for graduation. Our attendance goal is **95%** for every student. Please reach out to counselors and/or administration if you need support with your student's attendance.

On time. All the time. In order for teachers to maximize instruction, **students must arrive to every class on time**. They have seven minutes for passing, which includes ti

Attendance

Reporting Absences

Parents/Guardians must clear absences within two weeks of the absence. Any uncleared absences will become truancies. To report an absence, please visit the [attendance page](#) on the Rosemont website.

Early Dismissals

Early dismissals will end 30 minutes prior to the end of the school day. If you need to pick up a student for an early dismissal please plan to pick them up prior to 3:00 pm on M, T, W, and F and prior to 2:00 pm on Th.

First Period Tardies

PLEASE drop off students in time for them to arrive on time to 1st period. We are already seeing a number of students dropped off very close to the bell (at 8:23) or after the bell has rung. Those students are missing valuable instruction and creating a disruption for 1st period classes. If we can help in any way with this process, let us know!

PSAT - October 1st

It's that time! Rosemont will be hosting the PSAT exam once again this Fall for all students in the 9 - 11th grade. The exam will be given before lunch on **10/1/24**.

- Freshmen will take the PSAT 8/9 exam
- Sophomores and Juniors will take the PSAT / NMSQT
- Seniors will be doing various activities related to Senior year

Reminder - the test is ALL DIGITAL once again!

Students may practice the test on Bluebook (an app already available on their school Chromebook). See the attached screenshot on where to find the app and detailed instructions on practice review [here](#).

Information about how to do practice exams is forthcoming.

WASC

Hello Rosemont Families! This year, Rosemont is going through its WASC accreditation process.

What is WASC?

WASC stands for the Western Association of Schools and Colleges. It's a group that evaluates and accredits schools to ensure they meet high standards of quality and effectiveness. Accreditation from WASC is important because it helps schools improve and maintain their programs and services, ensuring students receive a top-notch education.

Why Your Feedback Matters

We're currently participating in a WASC review process, and your feedback is crucial. By filling out **this survey**, you help us understand what's working well and where we can improve. Your input will directly impact our school's efforts to provide the best learning environment and support for your child.

Campus Policy Refreshers

Meal Delivery

Parents can drop off food for students at the front desk. Students can pick up during lunch. Please do not encourage your student to leave class to pick up food.

We do not accept meal delivery services on campus (Door Dash, Uber Eats, Post Mate, etc.). You would be surprised at the number of strangers (and even their cars) that have made their way through campus. Delivered meals will be stored in Mr. Jones' office until the end of the school day. Sometimes he gets hungry.

Dress Code

There is a dress code. Especially with the warm weather, there have been a number of dress code violations. Please wear appropriate clothing. We do have some fun loaner clothes for those who violate. Frequent violations include:

- Clothing promoting drugs, alcohol, and pornography.
- Revealing clothing, including tube tops and visible underwear and bras, and not enough clothing.

Link to the Student Handbook is [here](#). Please use reasonable judgement with apparel as you get on the path toward becoming career ready.

Parking

Student parking is designated in the East Parking Lot (by the large Auditorium). Students, please use that lot. The gate at that end closes 10 minutes after the bell.

The South Lot (off Mayhew, behind the E Building) is designated for staff only. Please be aware.

Cell Phones

Reminder that cell phone and ear phones/buds are not allowed during the school day, including passing and lunch (or even when you go to the restroom).

Students who are feeling ill should let the teacher know. Students who are ill will be sent with a pass to the nurse station where parental contact will be made. We have a nurse and health aide who can assess and support. Students who use their phones to make self referrals are violating the phone policy and create an unnecessary backlog in the office. Trust the process.

If you need ways to support students during this time, check out this article: [**How to Help Students Panicked by School Smartphone Bans**](#)

Credit Recovery Update

We are scheduled to begin online credit recovery classes on September 3rd. We will offer one in-person section **during 7th period**. Space is limited.

If you would like to enroll your student in credit recovery, please contact his/her counselor.

ABC - Attendance, Behavior, and Climate

The ABC office would like to share the following:

Tardy Sweeps

Tardy Sweeps begin this week. They could happen any and every period. There are 7 minutes for passing and almost all bathrooms are open during passing (exception being upstairs back C).

Students in tardy sweeps may be assigned detention that, until served, can restrict participation in activities and athletics.

Phones - Off and away, all day.

Rosemont High School campus policy requires that cell phones and ear buds are off and away the entire school day. Away means in bags or backpacks and not in pockets or visible. Why? Well, our school community can provide a lot, A LOT, in the way of stories from personal experience: Distractions in the classroom, contributing to lack of engagement, cyber-bulling, rushes of students filming potential conflicts, coordinating illicit activities, etc. They have interfered with student safety and learning on our campus.

Electronic device policies are difficult to enforce without coordinated supports and large scale buy in. We are on board with this, we have heard from parents who are on board with this. We need your support. Our staff will be here to support during the transition and will be able to reach your student if you need. Our office number is 916-395-5130. Please limit calls to as needed, to ensure that we are available to meet your needs.

Students will have infractions documented in the Infinite Campus contact log. Beginning with the second infraction, student phones will be held to the end of the school day. Each infraction after, the phone will be returned to the parent/guardian upon meeting with an administrator.

Here are just some of the statistics out there:

- Students whose smartphones were physically removed during class had higher levels of course comprehension, lower levels of anxiety, and higher levels of mindfulness. ([Link](#))
 - 72% of high school teachers say cell phone use is a major problem. More that lack of interest in learning, more than getting up and walking around, and more than students being disrespectful ([Link](#))
 - Smartphone and social media use are linked to increases in mental distress, self-injurious behavior and suicidality (greatest among girls), negative effect on self-view, increase in negative interactions and cyberbullying, normalizing self-harm, chronic sleep deprivation.
