# **ABC - Attendance, Behavior, and Climate**

The ABC office would like to share the following:

## **Tardy Sweeps**

going forward we will have a new process to conduct hall sweeps. The new process is even easier, all you need to do is take an accurate attendance marking any students that are not in their seat at the sound of the bell. tardy. We will take care of the rest !!!! All students that are marked tardy will be assigned a 30 minute detention. Thank you for your help.

## **Class Dismissals**

As a reminder, the bell dismisses students from class and passes are restricted the first 10 and last 10 minutes of class. Students out of class prior to the bell will be assigned detention. Tell that "sub" in that class about this (You know the class. The one that you can't remember which room it is in).

# Campus Policy Refreshers

## Meal Delivery

Parents can drop off food for students at the front desk. Students can pick up during lunch. Please do not encourage your student to leave class to pick up food.

We do not accept meal delivery services on campus (Door Dash, Uber Eats, Post Mate, etc.). You would be surprised at the number of strangers (and even their cars) that have made their way through campus. Delivered meals will be stored in Mr. Jones' office until the end of the school day. Sometimes he gets hungry.

## Dress Code

There is a dress code. Especially with the warm weather, there have been a number of dress code violations. Please wear appropriate clothing. We do have some fun loaner clothes for those who violate. Frequent violations include:

- Clothing promoting drugs, alcohol, and pornography.
- Revealing clothing, including tube tops and visible underwear and bras, and not enough clothing.

Link to the Student Handbook is [\*\*here\*\*](#). Please use reasonable judgement with apparel as you get on the path toward becoming career ready.

## Parking

Student parking is designated in the East Parking Lot (by the large Auditorium). Students, please use that lot. The gate at that end closes 10 minutes after the bell. The South Lot (off Mayhew, behind the E Building) is designated for staff only. Please be aware.

## Cell Phones

Reminder that cell phone and ear phones/buds are not allowed during the school day, including passing and lunch (or even when you go to the restroom).

Students who are feeling ill should let the teacher know. Students who are ill will be sent with a pass to the nurse station where parental contact will be made. We have a nurse and health aide who can assess and support. Students who use their phones to make self referrals are violating the phone policy and create an unnecessary backlog in the office. Trust the process.

If you need ways to support students during this time, check out this article: [\*\*How to Help Students Panicked by School Smartphone Bans\*\*](#)

# **Attendance**

## **Reporting Absences**

Parents/Guardians must clear absences within two weeks of the absence. Any uncleared absences will become truancies. To report an absence, please visit the **attendance page** on the Rosemont website.

## **Early Dismissals**

Early dismissals will end 30 minutes prior to the end of the school day. If you need to pick up a student for an early dismissal please plan to pick them up prior to 3:00 pm on M, T, W, and F and prior to 2:00 pm on Th.

## **First Period Tardies**

PLEASE drop off students in time for them to arrive on time to 1st period. We are already seeing a number of students dropped off very close to the bell (at 8:23) or after the bell has rung. Those students are missing valuable instruction and creating a disruption for 1st period classes. If we can help in any way with this process, let us know!

## **Tutoring - ASSETs**

Beginning this week, every school day the ASSETs program provides free tutoring and academic support from 3:30 PM to 6:00 PM in our library. Stop by and say "Sup?".

# **Cards, Cards, and Portraits**

## **Student ID Cards**

Students receive their school ID card on picture day. Students are required to carry their ID card at all times and can be asked to produce their card for identification to any school employee.

## **RT Cards**

Students ride RT for free if they present their RT card. Freshmen and new students will receive their card at the front desk. If you have questions, please go to [SacRT.com](http://SacRT.com) or call (916) 321-buss.

## **Senior Portraits**

Seniors should book an appointment for their senior portrait now. To schedule, reschedule or cancel an appointment go to the senior portrait page for more information: [here](#).

We will also provide information soon about an opportunity to take senior portraits on campus.

## Phones - Off and away, all day.

Rosemont High School campus policy requires that cell phones and ear buds are off and away the entire school day. Away means in bags or backpacks and not in pockets or visible. Why? Well, our school community can provide a lot, A LOT, in the way of stories from personal experience: Distractions in the classroom, contributing to lack of engagement, cyber-bulling, rushes of students filming potential conflicts, coordinating illicit activities, etc. They have interfered with student safety and learning on our campus.

Electronic device policies are difficult to enforce without coordinated supports and large scale buy in. We are on board with this, we have heard from parents who are on board with this. We need your support. Our staff will be here to support during the transition and will be able to reach your student if you need. Our office number is 916-395-5130. Please limit calls to as needed, to ensure that we are available to meet your needs.

Students will have infractions documented in the Infinite Campus contact log. Beginning with the second infraction, student phones will be held to the end of the school day. Each infraction after, the phone will be returned to the parent/guardian upon meeting with an administrator.

Here are just some of the statistics out there:

- Students whose smartphones were physically removed during class had higher levels of course comprehension, lower levels of anxiety, and higher levels of mindfulness. ([Link](#))
  - 72% of high school teachers say cell phone use is a major problem. More that lack of interest in learning, more than getting up and walking around, and more than students being disrespectful ([Link](#))
  - Smartphone and social media use are linked to increases in mental distress, self-injurious behavior and suicidality (greatest among girls), negative effect on self-view, increase in negative interactions and cyberbullying, normalizing self-harm, chronic sleep deprivation.
