Phones - Off and away, all day.

Rosemont High School campus policy requires that cell phones and ear buds are off and away the entire school day. Away means in bags or backpacks and not in pockets or visible. Why? Well, our school community can provide a lot, A LOT, in the way of stories from personal experience: Distractions in the classroom, contributing to lack of engagement, cyber-bullying, rushes of students filming potential conflicts, coordinating illicit activities, etc. They have interfered with student safety and learning on our campus.

Electronic device policies are difficult to enforce without coordinated supports and large scale buy in. We are on board with this, we have heard from parents who are on board with this. We need your support. Our staff will be here to support during the transition and will be able to reach your student if you need. Our office number is 916-395-5130. Please limit calls to as needed, to ensure that we are available to meet your needs.

Students will have infractions documented in the Infinite Campus contact log. Beginning with the second infraction, student phones will be held to the end of the school day. Each infraction after, the phone will be returned to the parent/guardian upon meeting with an administrator.

Here are just some of the statistics out there:

- Students whose smartphones were physically removed during class had higher levels of course comprehension, lower levels of anxiety, and higher levels of mindfulness. ([Link](#))
- 72% of high school teachers say cell phone use is a major problem. More that lack of interest in learning, more than getting up and walking around, and more than students being disrespectful ([Link](#))
- Smartphone and social media use are linked to increases in mental distress, self-injurious behavior and suicidality (greatest among girls), negative effect on self-view, increase in negative interactions and cyberbullying, normalizing self-harm, chronic sleep deprivation.
